

DRESS UP FOR THE UNDERWATER PARTY!

The sea turtle is preparing for the underwater party but it doesn't know what to wear. A usual shell with a ribbon, or maybe a sparkling one with some colourful starfish? Or what about some spikes the turtle borrowed from its friend, the pufferfish?

CHOOSE THE OUTFIT!

Pick your favourite shell (or create your own!) and draw it so the turtle is not late for the party.

PARTY RIBBON

SEA-STAR

SPIKY SHELL

STARRY SKY

SEA UNICORN
