

WELCOME TO LEGO® CITY!

LEGO® City gets bigger every day, with new buildings, new vehicles and lots of minifigures moving in.

It's Job Swap Day in LEGO City, when everyone gets to master some new skills by doing a different kind of work. Mayor Fleck is ready to tell people about their new jobs, but some of his citizens are missing – and now he's lost too!

Build your own City scene for your favourite character, and share it in the #City group in the LEGO Life app.

Find the missing LEGO City residents!

Which minifigure and job are your favourite? Who would you like to be trained by?

RACE FOR THE GOLD!

Find the nuggets before it's too late.

The LEGO® City miners are hard at work digging for gold. But there are some dangerous glow-in-the-dark spiders hiding underground and they don't like people churning up the earth where they live. Can you help find the 10 gold nuggets on this page before the spiders chase the miners away?
