THE LORD OF THE RINGS

EL COMEDOR

Este nivel alberga el gran comedor de Barad-dûr™. Gothmog™, el general Orco de la Morannon, está allí para supervisar la preparación de la comida y su reparto. Si bien en el campo los Orcos pueden no recibir alimentos con regularidad, aquí hay una larga mesa repleta de manjares y bebidas para el general y sus hombres. En un gran caldero suspendido sobre la cocina de lava hierve a fuego lento un guiso con diversos ingredientes de dudosa procedencia (y quizá unos pocos que nos resulten familiares). Un compartimento oculto en la pared izquierda contiene secretos sobre los Anillos de Poder forjados para los Elfos.

"En la tierra de Mordor, el Señor Oscuro Sauron forjó en secreto el Anillo Regente para controlar a todos los demás. En este Anillo descargó toda su crueldad, su malicia y su voluntad de dominar todo tipo de vida. Un Anillo para gobernarlos a todos". Galadriel™

El recoveco oculto en las rocas esconde los diseños de los tres Anillos entregados a los Elfos.

Gothmog™ es el primer lugarteniente del Rey Brujo, más destacado por dirigir el ataque a Osgiliath e, inmediatamente después, el asedio a Minas Tirith.
