LAMBORGHINI

Les proportions idéales

Si vous avez grandi dans les années 1980, vous reconnaîtrez probablement la silhouette de la Lamborghini Countach au premier coup d'œil. Vous avez peut-être même encore un poster la représentant quelque part (ou trônant encore fièrement sur vos murs). Comptant plus de 50 ans d'histoire, du premier prototype LP500 dévoilé en 1971 à nos jours, la Countach est un modèle profondément révolutionnaire. Avec ses angles vifs et ses portes en élytre, la silhouette remarquablement basse du modèle ainsi que le rugissement plein de fougue du moteur V-12 ont contribué à faire de la Countach un véritable emblème des années 1980 et d'une bonne partie des années 1990, jusqu'à devenir l'incarnation même de la supercar de l'époque. Son design futuriste et avant-gardiste était parfaitement en phase avec son époque et la culture populaire. Et comme toute œuvre d'art classique, son charme est intemporel. De par son histoire, sa forme et ses couleurs vives, ce modèle a toute sa place dans la gamme LEGO® Icons.

L'évolution de la Lamborghini Countach

La Lamborghini Countach a évolué au fil du temps en adoptant des technologies et des styles innovants. Ce modèle LEGO® est inspiré de la Lamborghini Countach 5000 Quattrovalvole (1985-1988), avec quelques clins d'œil à ses vénérables prédécesseurs.

1971 LP500

Le prototype dévoilé lors du salon de l'automobile de Genève a jeté les bases de toutes les versions ultérieures.

1973 COUNTACH LP400

Modifiée selon les enseignements tirés du prototype, la LP400 a été le premier modèle de série de la Countach.

1978 COUNTACH LP400 S

Le design extérieur réactualisé comprenait des élargisseurs de passages de roue et une aile arrière en forme de V en option.

1983 COUNTACH LP500 S

Si le design extérieur reste en grande partie inchangé, l'intérieur a été repensé et la performance améliorée grâce à un moteur plus puissant.

1985 COUNTACH 5000 QUATTROVALVOLE

Le modèle le plus vendu de la Lamborghini Countach, aussi bien en Europe qu'aux États-Unis, et un bijou très convoité par les amateurs de supercars.

2021 COUNTACH LPI 800-4

Une édition limitée électrique hybride a été lancée à l'occasion du 50^e anniversaire de la Countach.

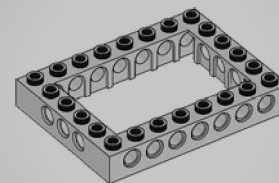

Le message de l'équipe de design LEGO®

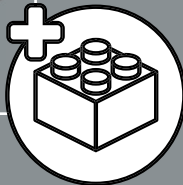

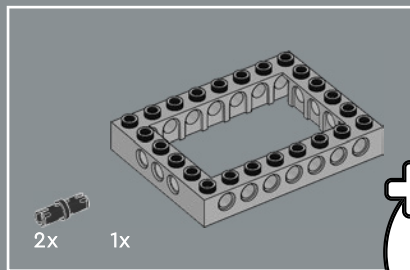

« Compte tenu de l'aura extraordinaire dont bénéficie encore aujourd'hui la Lamborghini Countach parmi les fans d'automobile, elle était la candidate idéale pour devenir un modèle LEGO®. Bien que les lignes droites semblent naturelles pour les éléments LEGO, les angles peu profonds comptent parmi les formes les plus difficiles à obtenir avec notre système de construction. Nous avons mis au point plusieurs nouveaux éléments et des techniques de construction avancées pour ce modèle, notamment pour les jantes Deep Dish et les passages de roue emblématiques, afin de reproduire les formes, les proportions et les angles subtils propres à ce design italien futuriste. Le chemin parcouru avec Automobili Lamborghini S.p.A. pour que la version LEGO de ce modèle voie le jour, avec une direction fonctionnelle ainsi que des portes et un capot qui s'ouvrent, a été particulièrement stimulant. »

SVEN FRANIC,
Senior Model Designer LEGO®
