## LEGO® Art ti dà il benvenuto

Dedicarsi all'arte, in qualsiasi forma, espande la nostra immaginazione e libera la nostra curiosità creativa. Ciò che spinge i grandi maestri a creare incredibili opere d'arte è presente in ognuno di noi. Iniziamo osservando *ciò che è*, chiedendoci *cosa potrebbe essere* e sentendoci *ispirati* a esprimere *nuove idee* tramite un mezzo artistico. L'esperienza LEGO® Art ti dà il benvenuto!

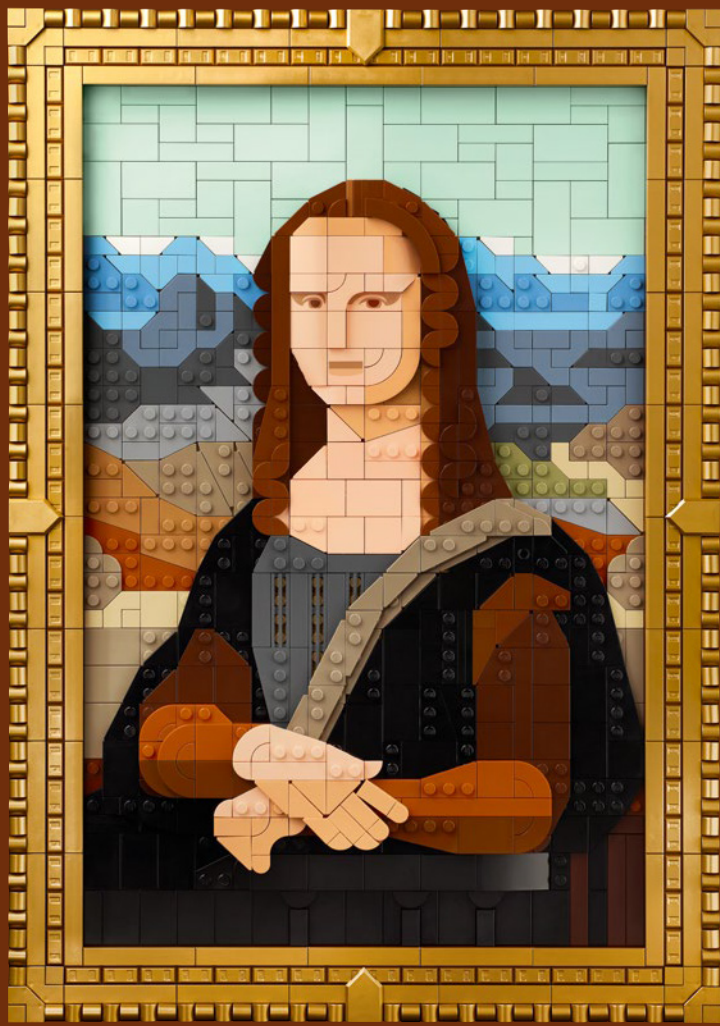

## Costruisci ed esponi

Il set *Gioconda* LEGO® Art contiene un elemento con foro integrato che consente di appendere l'opera alla parete.

GIOCOONDA

## *"Potremmo davvero dire che l'arte in quest'opera instillerebbe paura e tremore in qualsiasi artista valoroso" – Giorgio Vasari, 1550*

Scienziato visionario, inventore ed erudito, Leonardo da Vinci (1452-1519) è noto soprattutto per le sue rivoluzionarie opere d'arte rinascimentali. Leonardo realizzò un numero relativamente ridotto di dipinti, ma il suo nutrito portfolio di disegni, illustrazioni e invenzioni – tutti altamente realistici – è la prova dei suoi meticolosi metodi scientifici, del suo amore per la natura, della sua immaginazione senza pari, del suo talento artistico e delle sue tecniche innovative. La più famosa delle sue opere è il suo enigmatico ritratto di Lisa Gherardini, la *Gioconda*, conosciuta anche come *Monna Lisa*. Dipinto su un pannello di pioppo in una cornice di noce intagliata, il ritratto è il risultato di più di un decennio di lavoro (1503-1519). Leonardo usò una tecnica stratificata per ottenere profondità e prospettiva, ammorbidendo i contorni e i contrasti con la sua ingegnosa tecnica dello "sfumato", che gli consentì di far risaltare lo splendore quasi etereo del suo modello.

L'apice artistico della sua eccezionale carriera, il dipinto incantò reali e reggenti, e affascina artisti e amanti dell'arte di tutto il mondo da ormai cinque secoli. Dal 1797, la *Gioconda* è uno dei tanti gioielli artistici custoditi nel Museo del Louvre di Parigi. In seguito a un audace furto nel 1911, il dipinto scomparve dalla circolazione per due anni, ma questo episodio contribuì a rendere l'opera incredibilmente famosa in tutto il mondo e migliaia di amanti dell'arte accorrono a Parigi ogni anno per ammirare la *Gioconda*. La sua influenza sulla storia dell'arte e sulla cultura pop non ha rivali. Ora anche tu potrai ricreare le linee del maestoso capolavoro di Leonardo senza paura o tremore, solo con un profondo rispetto per l'artista e la sua mente creativa.

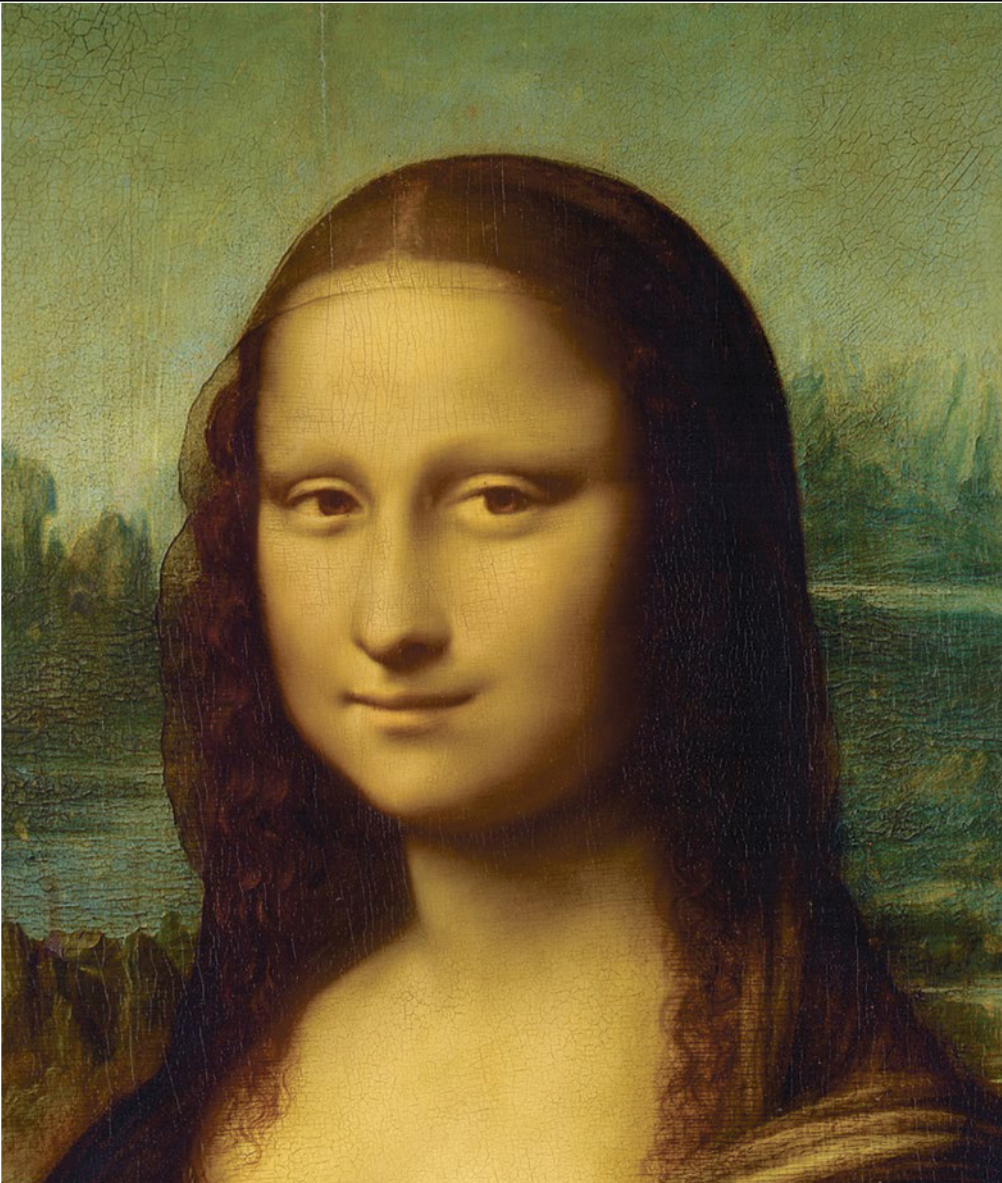

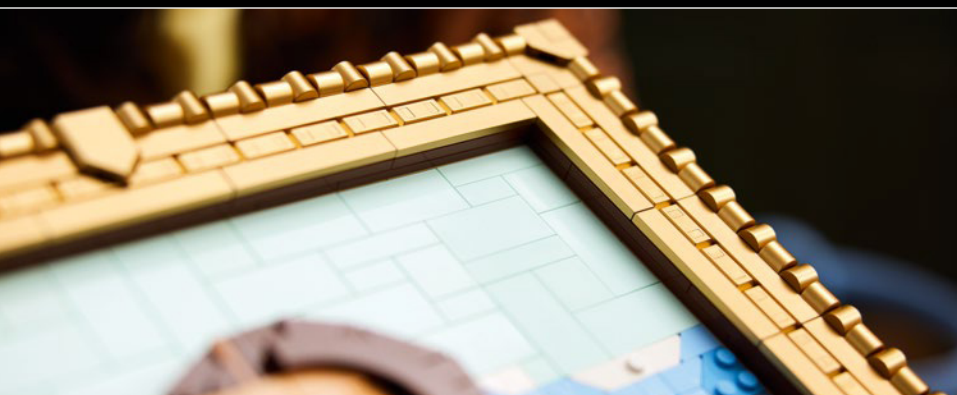

## L'interpretazione LEGO® Art

Reinterpretare l'opera d'arte **più famosa** al mondo in forma LEGO® è un modo **giocos**o per superare i limiti e trovare nuovi modi stimolanti di utilizzare i mattoncini LEGO come mezzo artistico. È stata necessaria una ricerca approfondita per selezionare il formato, i colori e le forme corretti e ottenere il risultato finale desiderato. I colori del dipinto originale si sono sbiaditi nel tempo e la lacca si è ossidata, conferendo all'opera una tenue tonalità gialla. In omaggio al capolavoro di Leonardo da Vinci, questo modello immagina l'aspetto della *Gioconda* nel suo stato originale, appena dipinta, in una vibrante composizione di colori LEGO. Abbiamo applicato al modello formule geometriche e matematiche per garantire che la posa e le caratteristiche fossero rappresentate fedelmente. Pensato per deliziare e stimolare la curiosità e la creatività, questo modello dimostra come sia possibile sfruttare l'impatto visivo degli elementi LEGO per creare il proprio capolavoro artistico.

## Cambia l'espressione/ Sperimenta con le espressioni

La cornice color oro, realizzata separatamente, offre la libertà artistica di ricostruirla, sostituirla con la propria cornice o utilizzarla per una creazione LEGO® Art originale. Se si desidera provare un'espressione più astratta, è possibile sostituire gli occhi della *Gioconda* con tessere alternative, non stampate.

 **SOUNDTRACK**  
Solo in inglese

## Ascolta

Scansiona il codice QR per avviare la tua visita guidata dietro le quinte della *Gioconda* di Leonardo da Vinci.

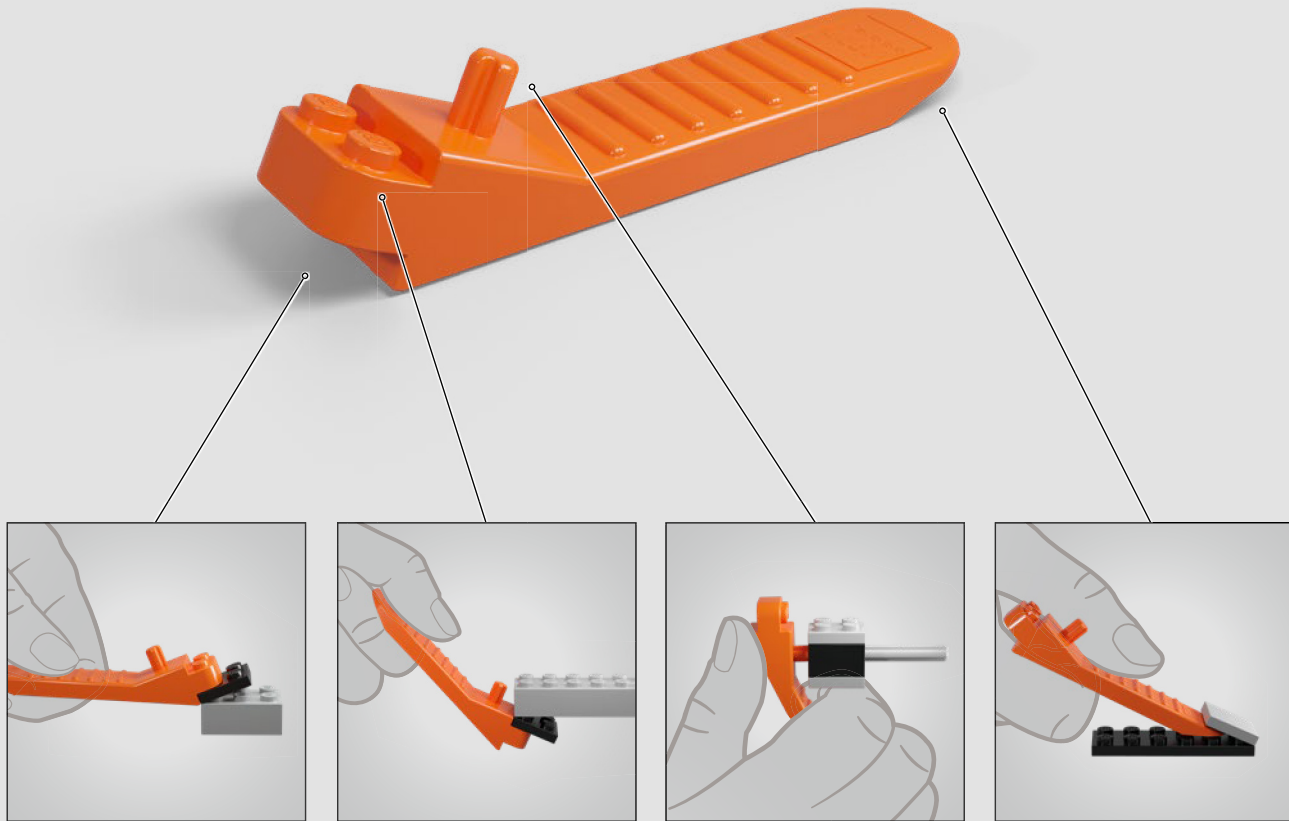

## Costruisci

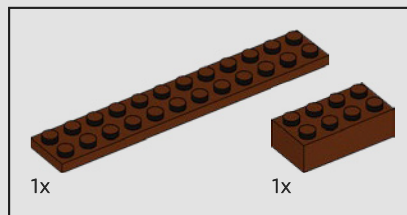

Esplora ogni dettaglio mentre costruisci questo capolavoro LEGO® Art.

## Rilassati

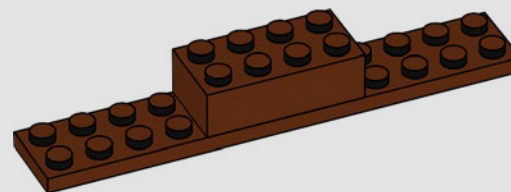

Lasciati incantare dal processo creativo alla base di un'opera d'arte senza tempo.
