LEGO® Builder

45 AÑOS AL PIE DEL CAÑÓN

Para el equipo de diseño de LEGO® Technic, acompañar en el camino a los mejores del sector es siempre una experiencia motivadora. Desde patrullas forestales hasta investigadores de la naturaleza y cuerpos de bomberos, los vehículos Mercedes-Benz Clase G han servido a profesionales y apasionados de las aventuras todoterreno durante casi medio siglo. Excepcionalmente confiable y resistente, y tan versátil como fácil de conducir, el Clase G y su legado no tienen parangón. Desde que saliera de la cadena de producción en 1979 el primer Mercedes-Benz Clase G, este vehículo todoterreno ha estado en constante evolución con la incorporación de tecnología de vanguardia, accesorios utilitarios y equipamiento personalizado para ofrecer un rendimiento superior.

DURABILIDAD, FIABILIDAD Y VALOR ATEMPORAL

La Clase G de Mercedes-Benz es una de las líneas de vehículos de pasajeros más emblemáticas de la historia de la firma alemana. Como parte de ella, la gama PROFESSIONAL Line, que se distingue por su diseño robusto, es ahora más popular que nunca.

1979: NACIMIENTO DE LA CLASE G

La Clase G de 1979 fue la primera de la nueva línea de coches de pasajeros de Mercedes-Benz que combinaba la conducción todoterreno superior con un gran nivel de confort.

1983: 280 GE

El potente 280 GE se optimizó aerodinámicamente y su peso se redujo de manera importante con la adopción de componentes en aluminio. Además, la potencia de su motor se aumentó a 162 kW/220 CV.

1999: G 55 AMG

El lanzamiento del G 55 AMG marcó el 20 aniversario de la Clase G y consolidó a la marca como el *sumum* de los vehículos de lujo de alto rendimiento.

1980: 230 G

El primer papamóvil con superestructura transparente.

1989: MEJORAS

Con motivo del 10 aniversario de la Clase G, Mercedes-Benz presentó un nuevo modelo que incluía un interior de gama alta, una suspensión más cómoda y tracción permanente a las cuatro ruedas.

2012: 300 CDI

Con nuevas características, como un enganche para remolque y rejillas de entrada de aire laterales, el 300 CDI se optimizó para ofrecer maniobrabilidad y rendimiento todoterreno.

2015: MERCEDES-BENZ G 500 4X4²

Con unos niveles de comodidad "elevados al cuadrado", el G 500 4x4² combinaba un tren de tracción total 6x6 con un motor V8 de 310 kW/422 CV.

2018: MERCEDES-AMG G 63

La nueva entrega de la Clase G puso aún más alto el listón en términos de rendimiento dentro y fuera de la carretera, así como en los ámbitos del confort y la telemetría.

2013: MERCEDES-BENZ G 63 AMG 6X6

El Clase G más potente en su momento, el G 63 AMG 6x6 estableció un nuevo paradigma combinando tecnología todoterreno con confort y diseño de lujo.

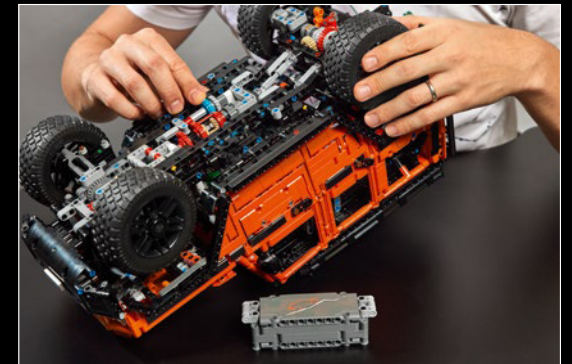

2017: MERCEDES-MAYBACH G 650 LANDAULET

Con solo 99 unidades producidas, el G 650 Landaulet fue el primer modelo todoterreno de la exclusiva marca Mercedes-Maybach.

UN ICONO CARISMÁTICO

“Con más de un millón de opciones de personalización y más de 40 colores, nuestra inspiración para este set fue la impresionante versión MANUFAKTUR en naranja cobre que ofrece el modelo PROFESSIONAL Line de 2024. En estrecha colaboración con el equipo de diseño de Mercedes-Benz, nos propusimos recrear su emblemática apariencia, sus funciones y sus accesorios. El resultado es una experiencia de construcción que te lleva bajo el capó a observar el motor funcional de 6 cilindros en línea, a conocer los detalles de un interior exquisitamente diseñado y a sorprenderte con la ingeniosa transmisión con avance, punto muerto y marcha atrás configurable según las condiciones del terreno. Con tracción a las cuatro ruedas, un volante que funciona y una suspensión elevada con bloqueo de los diferenciales de los ejes central y trasero, podrás avanzar sin problemas sobre casi cualquier superficie (interior, por supuesto). El modelo acabado, que se completa con detalles exteriores visibles desde todos los ángulos, expone ese característico aspecto de vehículo todoterreno concebido para la aventura”.

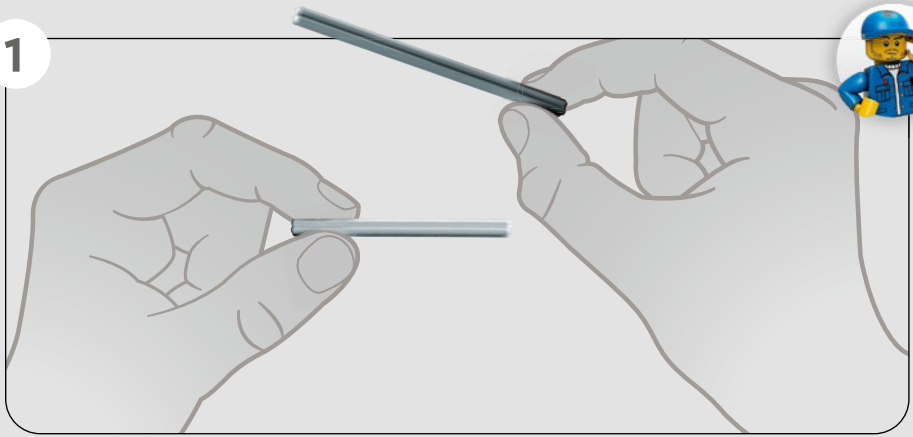

Milan Reindl, diseñador sénior, LEGO® Technic
