LEGO® Builder

ES MI HOGAR

Puede que Ron Weasley™ y sus hermanos Fred y George se hayan metido en un buen lío después de rescatar a Harry Potter™ de la casa de Privet Drive en el Ford Anglia™ volador de la familia, pero en cuanto los cuatro llegan a la Madriguera, Molly Weasley™ recibe a Harry con los brazos abiertos. La Madriguera es toda una galería de objetos mágicos y rincones acogedores. En apariencia carente de ángulos rectos, la curiosa y encantadora casa de campo es un lugar lleno de vida, calidez, travesuras y muchas risas. Incluso con las fuerzas oscuras acechando en el horizonte, el mágico hogar de los Weasley es el único refugio seguro al que siempre volvemos.

CÓMO LLEVAR TU MODELO LEGO® DE UN LUGAR A OTRO

Antes de levantar o trasladar tu modelo, cierra todas las puertas y ventanas para darle la mayor estabilidad y firmeza, como se muestra en esta imagen. Solo di "Travesura realizada" y... ¡listo!

*George Gilliatt,
modelista*

*Peter Kjærgaard,
diseñador gráfico*

TE DAMOS LA BIENVENIDA A LA MADRIGUERA

La hospitalidad de los Weasley está presente hasta en el último sinuoso recoveco. Eso es lo que destilan sus creativos inventos, sus ingeniosos usos de la magia, su decoración y las comodidades con las que cuenta el hogar, como las agujas de punto y el cepillo limpiavajilla, el reloj que indica dónde se encuentra cada miembro de la familia y los objetos Muggle™ recogidos por Arthur Weasley™. Con el paso del tiempo, la Madriguera se ha ampliado hasta convertirse en una maravillosa edificación cuya estructura sin orden ni concierto parece desafiar las leyes de la física. ¡Se diría que la magia es lo único que la mantiene en pie! Para recrear las ventanas torcidas y los suelos inclinados en el modelo LEGO®, hizo falta echar mano de una serie de técnicas bastante interesantes.

“CUÁNTO ME ALEGRO DE VERTE”

Aquí tienen lugar diversos momentos memorables y reuniones sociales a lo largo de la saga cinematográfica Harry Potter™. Abundantes comidas caseras. Vacaciones escolares sin preocupaciones. La primera experiencia de Harry viajando por la Red Flu (con la inesperada desviación al Callejón Knockturn). Y, tiempo después, fatídicos encuentros con la Orden del Fénix y la lectura de la última voluntad y testamento de Albus Dumbledore™ por parte de Rufus Scrimgeour, así como la boda de Bill y Fleur.

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO®

"La Madriguera ya se ha lanzado anteriormente en otros sets LEGO®: dos a escala de minifigura en 2010 (La Madriguera [4840]) y 2020 (Ataque en la Madriguera [75980]), y como micromodelo en 2022 (parte del set LEGO® Harry Potter™: Calendario de Adviento [76404]). Y ahora, por primera vez, en la versión definitiva de la Madriguera hemos reproducido la casa como espacio cerrado, integrado y completo con habitaciones y detalles conocidos de las películas (y algunas cosas más). No podían quedarse fuera la pocilga y el pobre Errol, que hace lo que puede para repartir el correo.

Se ha necesitado una gran familia de diseñadores de LEGO (según se sabe, la mayoría de ellos Muggles™) para dar vida a este modelo. A lo largo de la serie de películas de Harry Potter, vemos algunas de las habitaciones de la Madriguera, si bien otras, como la de los gemelos, la de Ginny y el cuarto de baño, no se muestran. Esperamos que te diviertas explorando nuestra interpretación de cómo podrían haber sido mientras las construyes y que logres sentir el carácter de los personajes en cada una de ellas".

LA MAGIA ESTÁ EN LOS DETALLES

"La tambaleante estructura de la Madriguera tiene muchos ángulos y detalles divertidos, y creemos que te encantará materializar las funciones que dan vida a esa magia cotidiana. Por primera vez, hemos reunido a la familia Weasley al completo en un set LEGO®, incluidos los dos hermanos mayores, Bill y Charlie, que nunca se habían lanzado como minifiguras LEGO. Entre las características construidas con ladrillos, pegatinas y decoraciones encontrarás los cepillos de dientes de toda la familia en el cuarto de baño; además, como a Arthur Weasley™ le fascinan los enchufes eléctricos Muggle™, guarda uno en su dormitorio. ¡A Fred y George, por supuesto, se les puede ver diseñando los primeros prototipos de algunos artefactos que se venderán en Sortilegios Weasley!"

*George Gilliatt, modelista de LEGO®
y Peter Kjærgaard, diseñador gráfico de LEGO®*
