LEGO® Builder

UN NID DOUILLET

Ron Weasley™ et ses frères Fred et George se sont attirés des problèmes en délivrant Harry Potter™ de Privet Drive avec la Ford Anglia™ volante de leur famille, mais cela n'empêche pas Molly Weasley™ d'accueillir Harry les bras ouverts au Terrier. Le Terrier regorge d'objets magiques et de recoins confortables. La curieuse et charmante maison de campagne aux formes arrondies bourdonne de vie, d'espièglerie et de rires. Même si les forces du Mal ne sont jamais bien loin, la maison magique et chaleureuse des Weasley est un véritable refuge pour tous.

COMMENT DÉPLACER VOTRE MODÈLE LEGO®

Avant de soulever ou de déplacer votre modèle, fermez la bâtisse pour vous assurer qu'elle est sécurisée et stable, comme sur cette photo. Dites « Méfait accompli », et c'est parti !

*George Gilliatt,
créateur de modèles*

*Peter Kjærgaard,
graphiste*

BIENVENUE DANS LE TERRIER

L'hospitalité des membres la famille Weasley transparait dans tous les coins et recoins tortueux du Terrier. Leurs inventions créatives, leur utilisation ingénieuse de la magie, leur décoration et le confort de leur maison sont manifestes, que ce soit à travers les aiguilles à tricoter et le lave-vaisselle enchantés, la pendule à géolocalisation ou encore les objets moldus collectionnés par Arthur Weasley™. Au fil du temps, le Terrier a été agrandi pour devenir une structure charmante et biscornue. Il semblerait que c'est grâce à la magie qu'elle tient encore debout ! Ce modèle LEGO® regorge de techniques intéressantes pour recréer les fenêtres bancales et les sols inclinés.

« QUEL PLAISIR DE TE VOIR,
MON CHÉRI. »

Tout au long de la saga Harry Potter™, plusieurs moments mémorables et événements sociaux ont lieu ici. Des repas copieux faits maison. Des vacances scolaires sous le signe de l'insouciance. La première expérience de Harry avec le Réseau de la poudre de cheminette (après un détour accidentel par l'Allée des Embrumes). Et plus tard, les rencontres fatidiques avec l'Ordre du Phénix, Rufus Scrimgeour révélant les dernières volontés et le testament d'Albus Dumbledore™, et le mariage de Bill et Fleur.

LES MOTS DE L'ÉQUIPE DE DESIGN LEGO®

« Le Terrier a déjà fait l'objet de plusieurs sets LEGO®, comme deux sets avec des minifigurines sortis en 2010 (Le Terrier 4840) et en 2020 (L'attaque du Terrier des Weasley™ 75980), mais aussi un modèle petit format en 2022 (dans Le calendrier de l'Avent LEGO® Harry Potter™ 76404). Pour la première fois, nous avons recréé le Terrier avec un bâtiment entièrement clos, comprenant des pièces familières, des détails du film, et bien plus encore. Sans oublier la porcherie et le pauvre vieux Errol qui fait de son mieux pour livrer le courrier.

C'est une grande famille de concepteurs LEGO (la plupart moldus, si nos informations sont bonnes) – comme la famille Weasley – qui a donné vie à ce modèle. Tout au long de la saga Harry Potter, nous découvrons certaines pièces du Terrier, mais d'autres, comme la chambre des jumeaux, celle de Ginny et la salle de bains, ne sont pas montrées. Nous espérons que vous vous amuserez à explorer notre propre interprétation de ces pièces, et que chacune vous permettra de percevoir un peu mieux la personnalité des personnages. »

LA MAGIE DANS LES DÉTAILS

« La structure bancaire du Terrier regorge de détails amusants, et nous espérons que vous aimerez construire toutes ses fonctions magiques. Pour la première fois, nous avons réuni toute la famille Weasley dans un set LEGO®, et notamment les deux frères aînés, Bill et Charlie, qui n'avaient jamais été représentés sous forme de minifigurines LEGO auparavant. Parmi les fonctions en briques, autocollants et décorations de la maison, on retrouve les brosses à dents de toute la famille dans la salle de bain mais aussi une prise électrique moldue dans la chambre d'Arthur Weasley™, fasciné par cet objet. Fred et George peuvent bien sûr être aperçus en train de concevoir les premiers prototypes des gadgets Weasley, Farces pour sorciers facétieux ! »
