LA NOSTRA CASA

Ron Weasley e i suoi fratelli Fred e George si trovano nei guai dopo aver salvato Harry Potter da Privet Drive a bordo della Ford Anglia volante della famiglia, ma non appena i quattro arrivano alla Tana, Molly Weasley accoglie Harry a braccia aperte. La Tana è una cornucopia di oggetti magici e angolini accoglienti. Un po' storta e precaria, la curiosa e affascinante casa di campagna brulica di vita, calore, avventure e risate. Anche se le forze oscure sono sempre in agguato all'orizzonte, la magica casa dei Weasley è un rifugio sicuro a cui facciamo sempre ritorno.

COME MUOVERE IL TUO MODELLO LEGO®

Prima di sollevare o spostare il modello, chiudi il modello per assicurarti che sia sicuro e stabile, come mostrato in questa immagine. Dì "Fatto il misfatto" e il gioco è fatto!

*George Gilliatt,
Model Designer*

*Peter Kjærgaard,
Graphic Designer*

BENVENUTI ALLA TANA

L'ospitalità della famiglia Weasley trasuda da ogni angolo e fessura di questo edificio: dalle loro invenzioni creative agli usi ingegnosi della magia, dall'arredamento e comfort familiari - come i ferri da maglia e le spugnette per lavare i piatti incantati - all'orologio che indica l'ubicazione dei familiari fino agli oggetti babbani collezionati da Arthur Weasley. Nel tempo, la Tana è stata ampliata fino a diventare una struttura sbilenca che sembra dover crollare da un momento all'altro. Sembra che stia in piedi solo per magia! Questo modello LEGO® è ricco di tecniche interessanti che hanno consentito di ricreare le finestre traballanti e i pavimenti inclinati.

“CHE BELLO VEDERTI, CARO”.

In tutti i film di Harry Potter, qui assistiamo a numerosi momenti memorabili e incontri sociali. Piatti abbondanti fatti in casa. Vacanze scolastiche spensierate. La prima esperienza di Harry della Metropolvere (con deviazione accidentale verso Notturn Alley). E in seguito, incontri faticosi con l'Ordine della Fenice, Rufus Scrimgeour che rivela le ultime volontà e il testamento di Albus Silente e il matrimonio tra Bill e Fleur.

IL DESIGN TEAM LEGO®

"La Tana è precedentemente apparsa in altri set LEGO®: due set in scala minifigure nel 2010 (La Tana 4840) e nel 2020 (Attacco alla Tana 75980), e come micro-modello nel 2022 (parte del Calendario dell'Avvento LEGO® Harry Potter™ 76404). Ora, per la prima volta, in questa versione definitiva della Tana, abbiamo creato un edificio completamente chiuso, con stanze e dettagli familiari dei film, e molto altro ancora. Sono ovviamente compresi anche il porcile e il povero Errol che fa diligentemente del suo meglio per consegnare la posta.

Proprio come la famiglia Weasley, c'è voluta una grande famiglia di designer LEGO (la maggior parte dei quali Babbani, per quanto ne sappiamo) per dare vita a questo modello. In tutta la serie di film di Harry Potter, vediamo alcune stanze della Tana, ma altre, come la stanza dei gemelli, la stanza di Ginny e il bagno, non appaiono mai. Ci auguriamo che vi divertirete a esplorare la nostra interpretazione di queste stanze mentre le costruite, e che riusciate a cogliere la personalità dei personaggi in ogni ambiente".

LA MAGIA NEI DETTAGLI

"La struttura traballante della Tana ha tanti angoli e dettagli divertenti, e speriamo che vi piacerà costruire le funzionalità che danno davvero vita a questa magia quotidiana. Per la prima volta, abbiamo riunito l'intera famiglia Weasley in un set LEGO®, inclusi i due fratelli maggiori, Bill e Charlie, che non sono mai apparsi sotto forma di minifigure LEGO. Gli elementi in mattoncini, gli adesivi e le decorazioni includono gli spazzolini da denti di tutta la famiglia nel bagno e, poiché Arthur Weasley è così affascinato dalle spine elettriche dei Babbani, ne tiene una nella sua camera da letto. Ovviamente possiamo vedere Fred e George mentre progettano i primi prototipi dei gadget in vendita ai Tiri Vispi Weasley!"

*George Gilliatt, LEGO® Model Designer,
