" I ' V E G O T T A G E T M E O N E O F T H O S E ... "

An envious James Gordon reacts to Batman's Batmobile™ in *Batman Begins™* (2005)

« I L F A U T Q U E J E M ' A C H È T E L E M Ê M E M O D È L E ... »

James Gordon, jaloux de la Batmobile™ de Batman™ dans *Batman : le commencement* (2005)

" N E C E S I T O C O M P R A R M E U N O D E E S O S ... "

Un envidioso James Gordon reacciona ante el Batimóvil de Batman™ en *Batman inicia* (2005)

**SPEED.  
AGILITY.  
BRUTE FORCE.**

What happens when you combine the raw animal power and agility of a supercar with the brute, aggressive force of a tank? As any GOTHAM CITY™ criminal will know, it can only be Batman's fearsome Batmobile™. Originally designed for the military as a bridging vehicle, Bruce Wayne is first introduced to the Batmobile in *Batman Begins*™ by trusted ally Lucius Fox. Clearly impressed with its awesome capabilities, he asks only one question of Fox: "Does it come in black?"

**VITESSE.  
AGILITÉ.  
FORCE BRUTE.**

Qu'obtient-on en combinant la puissance bestiale et l'agilité d'une super voiture avec la force brute d'un char d'assaut ? Nulle autre que la redoutable Batmobile™ de Batman™, bien connue des criminels de GOTHAM CITY™. Dans *Batman : le commencement*, la Batmobile, conçue à l'origine comme véhicule militaire pour monter des ponts, est présentée à Bruce Wayne par un allié de confiance, Lucius Fox. Clairement impressionné par ses formidables capacités, Bruce ne pose à Fox qu'une seule question : « Il se fait en noir, ce modèle ? »

**VELOCIDAD.  
AGILIDAD.  
FUERZA BRUTA.**

¿Qué se obtiene al combinar la potencia de un animal y la agilidad de un superauto con la fuerza bruta y la agresividad de un tanque? Como saben todos los criminales de GOTHAM CITY™, la respuesta solo puede ser el temible Batimóvil de Batman™. Originalmente diseñado para el ejército como vehículo para hacer puentes, Bruce Wayne descubre el Batimóvil en *Batman inicia* gracias a Lucius Fox, su fiel aliado. Claramente impresionado por sus increíbles posibilidades, solo puede decirle una cosa a Fox: "Me lo llevo en negro".

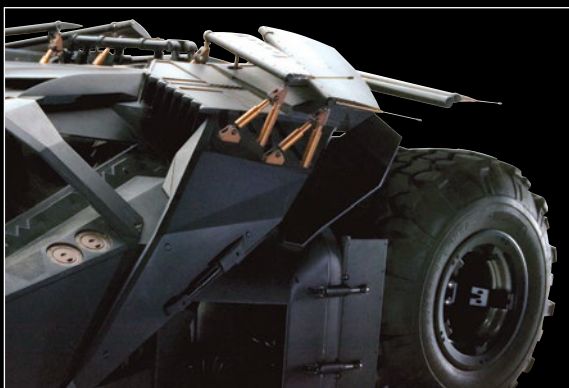

## THE DESIGN PROCESS

"As LEGO® Batman™ fans will know, this isn't the first Batmobile™ to be immortalized in a LEGO set. Having an existing Batmobile presents us with the ultimate starting point, but also a unique design challenge. How do we respect the original, but also ensure our finished result feels completely fresh? We had to set ourselves free somewhat and force ourselves to see it for the first time, rewatch footage of the Batmobile in action and obsessively tweak and adjust details until we could stand back and see something that really stood apart."

## LE PROCESSUS DE CONCEPTION

« Les amateurs de LEGO® Batman™ sauront que ce n'est pas la première Batmobile™ à être immortalisée dans un ensemble LEGO. Le fait d'avoir déjà une Batmobile à notre disposition nous offre un point de départ idéal, mais pose aussi un défi de conception unique. Comment garder l'esprit de l'originale, tout en veillant à ce que le résultat final soit entièrement nouveau ? Nous avons dû faire comme si nous la voyions pour la première fois, étudier des images de la Batmobile en action et peaufiner et ajuster les détails encore et encore jusqu'à ce que nous puissions prendre du recul et voir quelque chose qui se démarque vraiment. »

## EL PROCESO DE DISEÑO

"Como sabrán los fans de LEGO® Batman™, este no es el primer Batimóvil inmortalizado en un set LEGO. Contar con un Batimóvil ya existente es el mejor punto de partida, pero también supone un desafío de diseño diferente de cualquier otro. ¿Cómo respetar el original y asegurarnos de que el resultado final se sienta completamente nuevo? Tuvimos que liberarnos un poco y obligarnos a mirarlo como si fuera la primera vez. Volvimos a ver imágenes del Batimóvil en acción y nos propusimos ajustar obsesivamente los detalles hasta que, al dar un paso atrás, tuviéramos ante nosotros algo que realmente destacara".

## "THE BATMOBILE™ IS LIKE A CHARGING ANIMAL"

INTERVIEW WITH LEGO® CREATIVE LEAD JESPER NIELSEN

"The Batmobile™ has the feeling of a charging animal. Super low, aggressive and powerful. In many ways, it's the perfect representation of the brute force we associate with Batman™.

We moved the back wheels out into a wider position and slimmed the front just a little to capture that aggressive feel. We had to make some compromises, too. We tried to include steering, but that would have meant a more clunky profile, and that was a sacrifice we weren't willing to make."

## « LA BATMOBILE™ EST COMME UN ANIMAL QUI CHARGE »

ENTREVUE AVEC JESPER NIELSEN, RESPONSABLE DE LA CRÉATION LEGO®

« La Batmobile™ rappelle un animal qui charge. Basse, agressive et puissante. À bien des égards, elle est la représentation parfaite de la force brute associée à Batman™.

Nous avons déplacé les roues arrière pour un positionnement plus ouvert, et légèrement affiné l'avant pour rendre cette impression d'agressivité. Nous avons également dû faire quelques compromis. Nous avons essayé d'inclure une fonction de direction, mais la silhouette aurait été moins élégante, et nous n'étions pas prêts à faire ce sacrifice. »

## "EL BATIMÓVIL ES COMO UN ANIMAL EN PLENA CARGA"

ENTREVISTA CON JESPER NIELSEN, DIRECTOR CREATIVO DE LEGO®

"El Batimóvil se siente como un animal en plena carga. Extremadamente bajo, agresivo y potente. En muchos sentidos, es una representación perfecta de la fuerza bruta que asociamos con Batman™.

Desplazamos las ruedas traseras a una posición más amplia y adelgazamos un poco la parte delantera para capturar esa actitud agresiva. Pero también tuvimos que hacer algunos sacrificios. Intentamos incluir un mecanismo de dirección, pero hacerlo habría dado lugar a un perfil más tosco, y eso era algo que no estábamos dispuestos a permitir".

## "BATMAN™ IS A CLASSIC TALE OF GOOD VS. EVIL"

"You'll also notice that this time, instead of a clear cockpit, we have a smoke color. That's because it feels more like it captures the soul of the vehicle in LEGO® format, and it's that 'feeling' that we, as a team, are always chasing. I want Batman™ fans to really feel the passion that we've put into this. Each member of the team is a proud Batman 'geek,' and we really sweat the details and debate ideas constantly to give you something special. Batman is a classic tale of Good vs. Evil, and to us, the design process feels almost the same!"

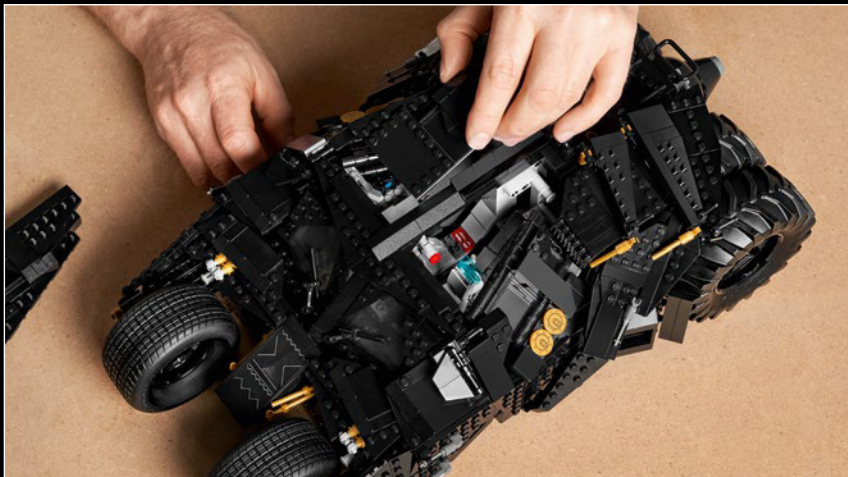

## « BATMAN™ EST UN EXEMPLE CLASSIQUE DE LA LUTTE ENTRE LE BIEN ET LE MAL. »

« Vous remarquerez aussi que le pare-brise est gris fumée au lieu d'être transparent. Cette couleur capture beaucoup mieux l'âme du véhicule dans sa forme LEGO®, et l'objectif de l'équipe est toujours de créer une reproduction aussi fidèle que possible. Je veux que les amateurs de Batman™ puissent ressentir la passion que nous avons consacrée à ce modèle. Chaque membre de l'équipe arbore fièrement son amour pour Batman, et nous ne ménageons pas nos efforts pour vous offrir quelque chose de spécial. L'histoire de Batman est un exemple classique de la lutte entre le bien et le mal, et le processus de conception est assez similaire ! »

## "BATMAN™ ES LA CLÁSICA HISTORIA DEL BIEN CONTRA EL MAL"

"También notarán que, esta vez, en lugar de ser transparente, la cabina está polarizada. Se debe a que se siente más como si capturara el alma del vehículo en formato LEGO®, y esa es la 'sensación' que, como equipo, siempre perseguimos. Queríamos que los fans de Batman™ percibieran realmente la pasión que pusimos en el modelo. Todos los miembros del equipo son orgullosos fans de Batman. Trabajamos muchísimo en los detalles y debatimos ideas constantemente para ofrecerles algo especial. Batman es la clásica historia del bien contra el mal; para nosotros, el proceso de diseño es muy similar".

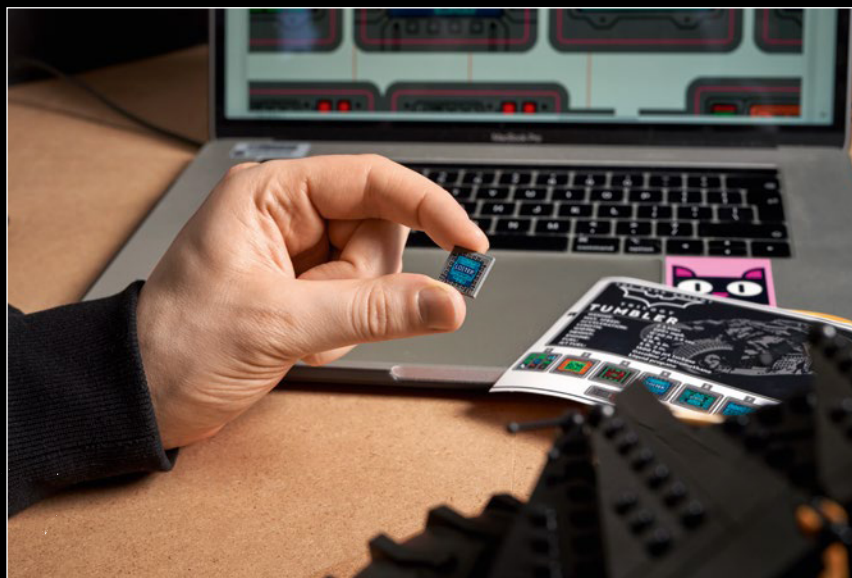

## INTERVIEW WITH LEGO® GRAPHIC DESIGNER ADAM CORBALLY

"Having worked on the 2014 The Tumbler Batmobile™, the process was a little like déjà vu ... but also therapy! I say therapy because it's rare that we can revisit sets we've worked on for a second time and make it anew. I was responsible for the graphic details on the model, including the minifigures, stickers and printed elements. I was particularly excited to create the alternative, but still iconic, version of The Joker™ from *The Dark Knight*™. The finished set looks great, and I hope Batman™ fans enjoy all the intricate details, and displaying it in their Batcaves!"

## ENTREVUE AVEC ADAM CORBALLY, GRAPHISTE LEGO®

« J'ai travaillé sur le modèle de la Batmobile™ Tumbler de 2014, alors le processus était assez familier... et aussi un peu comme une thérapie ! Il est rare qu'on puisse revisiter un ensemble sur lequel on a travaillé pour lui donner une nouvelle apparence. J'étais responsable des détails graphiques du modèle, dont les figurines, les autocollants et les éléments imprimés. J'étais particulièrement emballé à l'idée de créer la version alternative, mais toujours emblématique, du Joker™ dans le film *Le Chevalier noir*. L'ensemble fini est superbe, et j'espère que les amateurs de Batman™ apprécieront tous ses détails complexes et l'exposeront dans leurs Batcaves. »

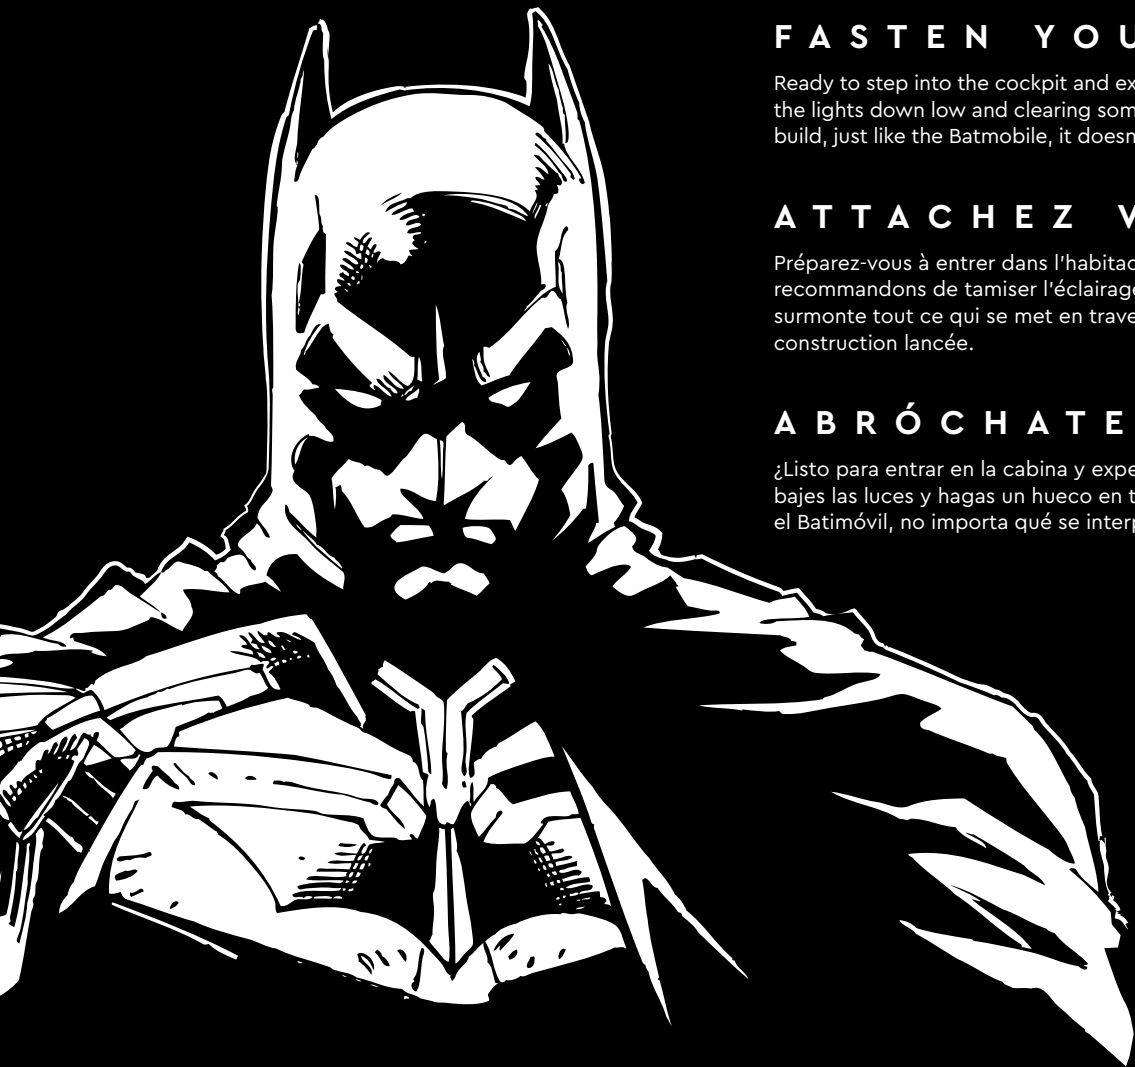

## ENTREVISTA CON ADAM CORBALLY, DISEÑADOR GRÁFICO DE LEGO®

"Luego de haber trabajado en el modelo del Batimóvil Acróbata en 2014, el proceso fue una especie de *déjà vu*... ¡pero resultó terapéutico! Digo *terapéutico* porque es raro que podamos volver a diseñar sets en los que ya hemos trabajado una vez y hacerlos de nuevo. Me encargué de los detalles gráficos del modelo, incluidas las minifiguras, las calcomanías y los elementos impresos. Lo que más me emocionó fue crear la versión alternativa, no por ello menos icónica, de The Joker™, tal como aparece en *El caballero de la noche*. El set terminado se ve fantástico, y espero que los fans de Batman™ disfruten tanto de los elaborados detalles como exhibiéndolo en sus Batcuevas".

## FASTEN YOUR SEATBELTS ...

Ready to step into the cockpit and experience the raw power of the Batmobile™? We recommend turning the lights down low and clearing some space in your schedule. Because once you get started with this build, just like the Batmobile, it doesn't matter what gets in your way... nothing is going to stop you.

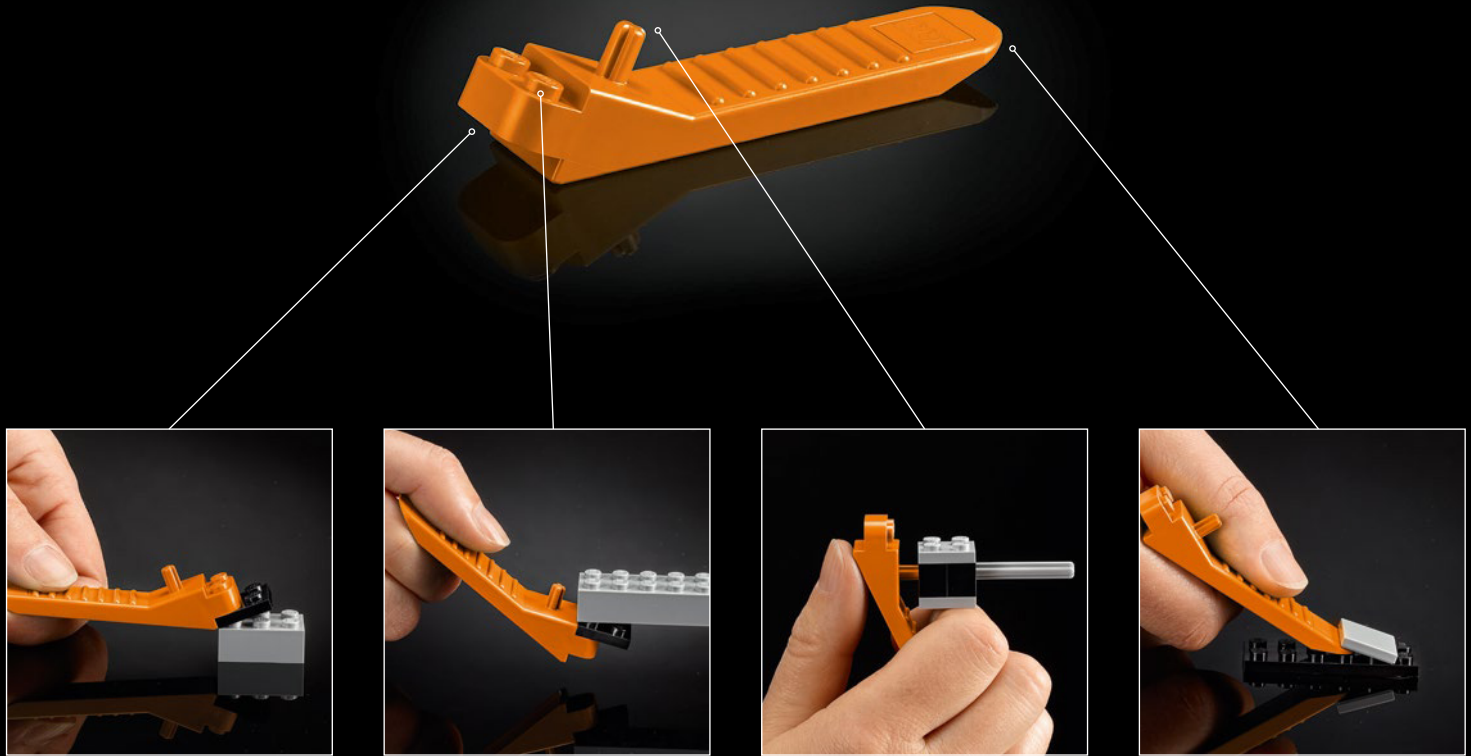

## ATTACHEZ VOS CEINTURES ...

Préparez-vous à entrer dans l'habitacle et à ressentir la puissance brute de la Batmobile™ ! Nous vous recommandons de tamiser l'éclairage et d'alléger votre emploi du temps. Tout comme la Batmobile qui surmonte tout ce qui se met en travers de son chemin, rien ne pourra vous arrêter une fois la construction lancée.

## ABRÓCHATE EL CINTURÓN ...

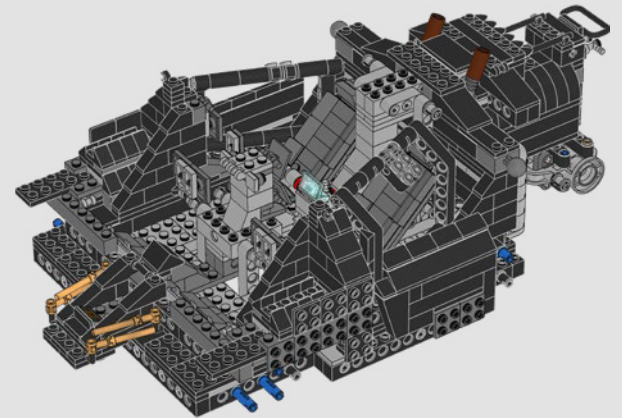

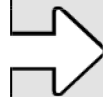

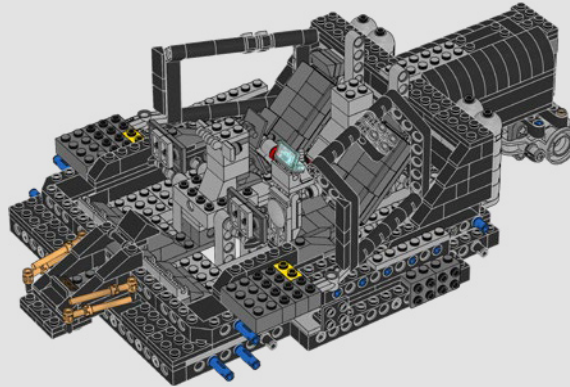

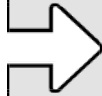

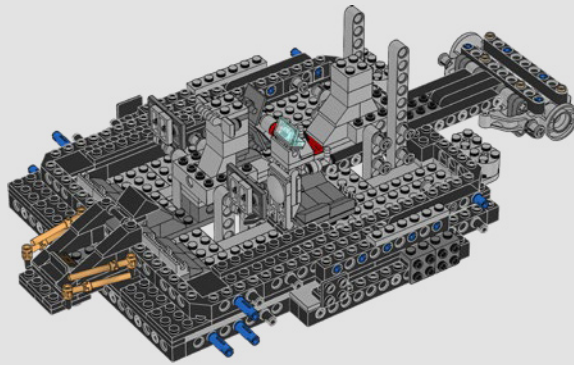

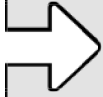

¿Listo para entrar en la cabina y experimentar la potencia bruta del Batimóvil? Te recomendamos que bajes las luces y hagas un hueco en tu agenda. Porque, cuando empieces a construir, como sucede con el Batimóvil, no importa qué se interponga en tu camino: nada te detendrá.
