## A new king

I had the unique opportunity to develop not just this, but two LEGO® Simba models at the same time! Inspired by one of the most beloved classic Disney characters, this playful display model takes advantage of the diverse shapes and combinations LEGO bricks can offer, in a fun and intuitive building experience. Its lively, posable companion model (43243) is designed for kids ages 6 and over to build on their own.

*"Whether you build this model by yourself or with one of your real-life 'cubs', we hope you will embrace your favourite The Lion King movie!"*

– Marcos Bessa, LEGO® Designer

## The great circle of life

Curious and eager to learn about the world, Simba lives for the daring adventures and reflective moments he shares with his loving and adoring father. A devoted role model and protector, Mufasa generously imparts his wisdom to the young cub and shows him how to care for and lead their pride. This bond is only strengthened when Simba is suddenly faced with the loss of his father and embarks on his own journey, continuing the great circle of life.
