THE LORD OF THE RINGS

# THE DINING HALL

## LE RÉFECTOIRE

### EL COMEDOR

👁 This level houses the large dining hall of Barad-dûr™. Morannon Orc General Gothmog™ is there to oversee the preparation and serving of meals. In the field, Orcs may not get to eat on a regular basis, but here, the long dining table overflows with delicacies and drinks for the general and his men. A stew involving several questionable ingredients (and possibly a few familiar ones for good measure) simmers in a large cauldron suspended above the lava stove. A hidden compartment in the left wall contains secrets about the Rings of Power forged for the Elves.

👁 Cet étage abrite le grand réfectoire de Barad-dûr™. Le général des Orques du Morannon, Gothmog™, est là pour superviser la préparation et le service des repas. Sur le terrain, les Orques n'ont pas forcément l'occasion de manger régulièrement, mais ici, la longue table à manger déborde de mets délicats et de boissons pour le général et ses hommes. Un ragoût composé de plusieurs ingrédients douteux (et peut-être de quelques ingrédients familiers) mijote dans un grand chaudron suspendu au-dessus du fourneau à lave. Un compartiment caché dans le mur de gauche renferme des secrets sur les Anneaux de Pouvoir forgés pour les Elfes.

👁 Este nivel alberga el gran comedor de Barad-dûr™. Gothmog™, el general Orco de la Morannon, está allí para supervisar la preparación de la comida y su reparto. Si bien en el campo los Orcos pueden no recibir alimentos con regularidad, aquí hay una larga mesa repleta de manjares y bebidas para el general y sus hombres. En un gran caldero suspendido sobre la estufa de lava hierve a fuego lento un guiso con diversos ingredientes de dudosa procedencia (y quizá unos pocos que nos resulten familiares). Un compartimento oculto en la pared izquierda contiene secretos sobre los Anillos de Poder forjados para los Elfos.

Just like they use lava to forge weapons, Orcs utilize it to prepare food in their dining hall.

Les Orques utilisent la lave autant pour forger des armes que pour préparer la nourriture dans leur réfectoire.

Al igual que utilizan la lava para forjar armas, los Orcos la usan para preparar la comida en su comedor.
