Explore and experiment

Are you new to LEGO® building? No problem. The instructions are so easy to follow that soon you and all your favourite people will be ready to go off-script and write your own lines, vertically and/or horizontally, with up to 30 characters!

Enjoy creative freedom

When you know how to build and combine your letters, anyone can refresh your creative display to suit any occasion – from birthdays and holidays to parties – or perhaps pranks? We have included inspiration for an extra 13 alternative designs in this set. (Note: you can only build one at a time.) And you can all customise your letters with emojis to set the mood with a little extra splash of creativity.

Get ready to assemble

When you have built all the letters you need, **GO TO PAGE 58** for instructions on how you can combine your letters and assemble your display.
