## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

## MEET C-3PO, HUMAN-CYBORG RELATIONS

Sometimes we have to pinch ourselves to believe how lucky we are to celebrate the LEGO® Star Wars™ 25<sup>th</sup> anniversary. And, as one of the first characters we ever met in the Star Wars saga, C-3PO deserves a proper anniversary tribute.

Whether he's panicking in a firefight or prattling on about the odds of successfully navigating an asteroid field (to Han Solo's eternal chagrin), we can always count on C-3PO to lighten the mood with a healthy portion of fussiness, endearing melancholy and humorous despair. In a galaxy filled with dashing rogues, formidable Jedi and imposing Sith Lords, C-3PO shines with impeccable comedic

timing and memorable lines, reminding us that even in the darkest of times, a protocol droid with a penchant for overthinking can bring a smile to our faces.

**Jens Kronvold Frederiksen**  
Creative Lead & Design Director,  
LEGO® Star Wars™

## RENCONTREZ C-3PO, RELATIONS HUMAIN-CYBORG

Il nous est parfois difficile de croire à la chance que nous avons de célébrer le 25<sup>e</sup> anniversaire de LEGO® Star Wars™. Et, comme il s'agit de l'un des premiers personnages que nous avons rencontrés dans la saga Star Wars, C-3PO mérite un hommage digne de ce nom. Qu'il panique lors d'une fusillade ou qu'il jacasse sur les chances de réussir à naviguer dans un champ d'astéroïdes (au grand dam de Han Solo), C-3PO est toujours là pour détendre l'atmosphère avec une bonne dose d'agitation, de mélancolie attachante et de désespoir humoristique. Dans une galaxie remplie de voyous fringants, de Jedi redoutables et de Seigneurs Sith imposants, C-3PO brille par son sens du comique impeccable et ses répliques mémorables, nous rappelant que même dans les moments les plus sombres, un droïde de protocole ayant un penchant pour la réflexion excessive peut nous redonner le sourire.

**Jens Kronvold Frederiksen**

Responsable de la création et directeur de la conception, LEGO® Star Wars™

## CONOCE A C-3PO, RELACIONES CIBERNÉTICO-HUMANAS

A veces tenemos que pellizcarnos para convencernos de que no es un sueño y en verdad tenemos la fortuna de celebrar el 25 aniversario de LEGO® Star Wars™. Y, como uno de los primeros personajes de la saga Star Wars que conocimos, C-3PO se merece un homenaje de aniversario en toda la extensión de la palabra. Ya sea entrando en pánico en medio de un intercambio de disparos láser o parlotando sobre las probabilidades de navegar con éxito por un campo de asteroides (para el eterno disgusto de Han Solo), siempre podemos contar con C-3PO para aligerar el ambiente con una buena ración de meticulosidad, entrañable melancolía y humorística desesperación. En una galaxia repleta de bribones elegantes, formidables Jedi e imponentes Lores Sith, C-3PO brilla con un ritmo cómico impecable y memorables líneas, recordándonos que incluso en los tiempos más oscuros, un droide de protocolo con tendencia a pensar demasiado puede arrancarnos una sonrisa.

**Jens Kronvold Frederiksen**

Director creativo y coordinador de diseño, LEGO® Star Wars™

© & ™ Lucasfilm Ltd.

## NEVER AS DOOMED AS HE MIGHT THINK

With his shiny exterior and fluency in etiquette and six million forms of communication, C-3PO, given the choice, would prefer to indulge in the gentler comforts of life and not go gallivanting across the galaxy, getting mixed up with Rebel scoundrels or Imperial forces. But his unwavering devotion to his human friends and his savvy astromech companion, R2-D2, constantly brings him further and further out of his comfort zone, often leaving him utterly discouraged and certain of their collective, impending doom. Programmed by young Anakin Skywalker to help serve as a diplomatic translator, he eventually plays a vital part in the Resistance's intelligence service. He thrives when he can untangle bizarre misunderstandings (occasionally

self-induced), serve as a deity to secure the Ewoks' alliance, or translate the rudest of Huttese insults.

Together, the exasperated protocol droid and his more optimistic, mischievous friend ("that malfunctioning little twerp") entertain us with some of the most heated, affectionate banter throughout the saga.

**"How did we get into this mess?"**  
– C-3PO

## JAMAIS AUSSI PERDU QU'IL NE LE PENSE

Avec son extérieur brillant et sa maîtrise de l'étiquette et de six millions de formes de communication, C-3PO, s'il avait le choix, préférerait profiter d'une vie bien tranquille et ne pas parcourir la galaxie pour se mêler aux crapules rebelles ou aux forces impériales. Mais sa dévotion inébranlable envers ses amis humains et son astromécano, R2-D2, l'amène constamment à sortir de sa zone de confort, le laissant souvent complètement découragé et certain de l'imminence de leur mort collective. Programmé par le jeune Anakin Skywalker pour servir de traducteur diplomatique, il finit par jouer un rôle essentiel dans le service de renseignements de la Résistance. Il excelle dans l'art de démêler des malentendus bizarres (qu'il a parfois lui-même provoqués), de servir de divinité pour garantir l'alliance des Ewoks ou de traduire les insultes hutteses les plus grossières.

Ensemble, le droïde de protocole exaspéré et son ami plus optimiste et espiègle (ce « sale petit avorton électronique ») nous divertissent avec quelques-uns des échanges les plus passionnés et les plus affectueux de la saga.

**« Comment sommes-nous tombés dans ce pétrin ? »**  
– C-3PO

## NUNCA TAN DESAMPARADO COMO PODRÍA PENSAR

Con su brillante exterior y su fluidez en cuestiones de etiqueta y seis millones de formas de comunicación, si C-3PO pudiera elegir, de seguro preferiría entregarse a las comodidades más apacibles de la vida y no ir galopando por la galaxia mezclándose con canallas rebeldes o fuerzas imperiales. Pero su inquebrantable devoción por sus amigos humanos y su inteligente compañero astromecánico R2-D2 lo lleva constantemente más y más lejos de su zona de confort, dejándolo frecuentemente en el desánimo total y seguro de un fatídico destino para todo el grupo. Programado por un joven Anakin Skywalker para servir como traductor diplomático, termina por desempeñar un papel vital en el servicio de la inteligencia de la Resistencia. Sus talentos más notables son desenmarañar los malentendidos más inconcebibles (en ocasiones autoinducidos), servir de deidad para asegurar los favores de los Ewoks y traducir los insultos más insolentes al idioma huttese.

Juntos, el exasperado droïde de protocolo y su amigo más optimista y travieso (ese "enano defectuoso") nos entretienen con algunas de las bromas más animadas y cariñosas de toda la saga.

**"¿Cómo nos metimos en este lío?"**  
– C-3PO

© & ™ Lucasfilm Ltd.

## "WHAT A DESOLATE PLACE THIS IS."

Standing poignantly on the sand dunes of Tatooine, C-3PO can be posed with his arms at his sides, waving, or with both arms in the air to convey despair at yet another disastrous situation. Or, if you reposition an arm at the elbow, he can even gently pat the LEGO® Star Wars™ R2-D2™ (75379) on the head. If you have both sets, this debonair duo will look great together on your shelf or desktop.

- New quarter domes and a 1x2 bow/curved slope element were developed to give C-3PO his characteristic head shape.
- The printed mouth and nose piece was first used as a shield element for LEGO® NEXO KNIGHTS™. This, the printed circular torso element and the printed chest element are unique for this set.
- The belly element where C-3PO's internal wiring is seen is a repurposed LEGO car hood element.
- Throughout the *Star Wars* saga, C-3PO is refurbished with miscellaneous new or used parts. Inspired by his look when we first met him in *A New Hope*, he sports his characteristic silver right leg.
- 34 LEGO elements were recolored to gold for this model, many of which had never existed in gold before. In total, the set includes 475 gold-colored bricks – a record for a LEGO *Star Wars* set, as of 2024.
- LEGO ski pole elements were used as details on his legs.

## « COMME CE DÉSERT EST SINISTRE. »

Dressé magistralement sur les dunes de sable de Tatooine, C-3PO peut être installé avec les bras le long du corps, avec une main levée, ou avec les deux bras en l'air pour exprimer le désespoir face à une nouvelle situation désastreuse. Vous pouvez aussi repositionner un bras au niveau du coude pour le faire toucher doucement la tête de R2-D2™ LEGO® Star Wars™ (75379). Si vous possédez les deux ensembles, ce duo débonnaire sera du plus bel effet sur votre étagère ou votre bureau.

- De nouveaux quarts de dôme et un élément arc/pente incurvée 1x2 ont été développés pour donner à C-3PO sa forme de tête caractéristique.
- La bouche et le nez imprimés ont été utilisés pour la première fois comme élément de bouclier pour LEGO® NEXO KNIGHTS™. Cet élément, l'élément circulaire imprimé du torse et l'élément imprimé de la poitrine sont uniques à cet ensemble.
- L'élément ventral, où l'on voit le câblage interne de C-3PO, est un élément de capot de voiture LEGO réutilisé.
- Tout au long de la saga *Star Wars*, C-3PO est reconditionné à l'aide de diverses pièces neuves ou usagées. En référence à son apparence lors de sa première apparition dans *Un nouvel espoir*, il arbore sa jambe droite argentée caractéristique.
- Ce modèle comprend une version or de 34 éléments LEGO, dont beaucoup n'avaient jamais existé dans cette couleur auparavant. Au total, l'ensemble comprend 475 briques or, un record pour un ensemble *Star Wars* en 2024.
- Des éléments de bâton de ski LEGO ont été utilisés comme détails pour les jambes.

## "¡QUÉ LUGAR TAN INHÓSPITO!"

Penosamente de pie sobre las dunas de arena de Tatooine, C-3PO puede posar con los brazos a los lados, saludando o con ambas manos en alto para transmitir un sentimiento de desesperación ante una nueva situación desastrosa. O, si le colocas un brazo en ángulo, incluso puede acariciarle la cabeza a R2-D2™ LEGO® Star Wars™ (75379). Si tienes ambos sets, este dúo de galanes se verá espectacular exhibido sobre un estante o tu escritorio.

- Se desarrollaron nuevos cuartos de cúpula y un elemento de arco/cuña curvada 1x2 para reproducir fielmente la forma de la cabeza de C-3PO.
- El elemento impreso de la boca y nariz se usó por primera vez como escudo en un set de la gama LEGO® NEXO KNIGHTS™. Este, el elemento circular impreso del torso y el elemento impreso del pecho son exclusivos de este set.
- El elemento del vientre que muestra el cableado interno de C-3PO es una pieza reutilizada de un auto LEGO.
- A lo largo de la saga *Star Wars*, C-3PO es objeto de múltiples reparaciones en las que se utilizan tanto piezas nuevas como usadas. Inspirado en el aspecto que tenía cuando lo vimos por primera vez en *Una Nueva Esperanza*, luce su característica pierna derecha plateada.
- Para este modelo, fue necesario producir 34 elementos LEGO en dorado, muchos de los cuales nunca habían existido en ese color. En total, el set incluye 475 bricks dorados, todo un récord para un set LEGO *Star Wars*, incluso a fecha de 2024.
- Se usaron elementos LEGO originalmente concebidos como bastones de esquí para recrear ciertos detalles de sus piernas.

## MEET THE MODEL DESIGNER

"The first thing we started working on was C-3PO's head and face. Even without being able to change his facial expression, his face says so much about his character. We always strive to use existing LEGO® elements when we design new models. Still, after about ten iterations, we decided to develop two new elements to get the characteristic head shape just right. For his body, we focused on recreating his organic shapes in broad shape expressions for an instantly recognizable silhouette,

with his chest and head held high, arms to the side, vigilant, alert and attentive. And you can pose his head and arms to mimic so many of our favorite C-3PO scenes. Together, all these subtle little details really make this lovable droid come to life."

Jackson Hughes, Model Designer,  
LEGO® Star Wars™

## RENCONTRE AVEC LE CONCEPTEUR DU MODÈLE

« Nous avons tout d'abord commencé à travailler sur la tête et le visage de C-3PO. Même si son expression faciale demeure figée en permanence, son visage en dit long sur son caractère. Nous nous efforçons toujours d'utiliser des éléments LEGO® existants lorsque nous concevons de nouveaux modèles. Cependant, après une dizaine d'itérations, nous avons décidé de développer deux nouveaux éléments pour obtenir la forme caractéristique de la tête. Pour le corps, nous nous sommes concentrés à recréer ses formes organiques dans des expressions de formes larges pour une silhouette immédiatement reconnaissable, avec son torse et sa tête portés haut, les bras sur le côté, en état de vigilance, d'alerte et d'attention. Il est également possible de positionner sa tête et ses bras de manière à imiter vos scènes préférées avec C-3PO. Tous ces petits détails subtils donnent vie à cet adorable droïde. »

Jackson Hughes, concepteur de modèles,  
LEGO® Star Wars™

## CONOCE AL MODELISTA

"Lo primero en lo que empezamos a trabajar fue en la cabeza y la cara de C-3PO. Incluso sin poder cambiar su expresión facial, su cara dice mucho del personaje. Siempre nos esforzamos por usar elementos LEGO® existentes cuando diseñamos nuevos modelos. No obstante, luego de unas diez iteraciones, decidimos desarrollar dos elementos nuevos para replicar la característica forma de la cabeza con la máxima precisión. Para su cuerpo, nos centramos en recrear sus líneas orgánicas generales para hacer que la silueta del modelo resultara reconocible al instante, con el pecho y la cabeza en alto, los brazos a los lados y una expresión vigilante, alerta y atenta. Además, su cabeza y brazos pueden adoptar diferentes posturas para imitar muchas de nuestras escenas favoritas de C-3PO. Todos estos sutiles detalles hacen que este adorable droide cobre vida".

Jackson Hughes, modelista,
