LEGO® Builder

THE HIGHER YOU FLY

For the first time in 25 years of LEGO® Star Wars™, Jabba the Hutt's sail barge, the *Khetanna*, enters the Ultimate Collector Series. The magnificent extension of Jabba's (arguably oversized) ego makes its entrance in *Return of the Jedi* as a delightfully chaotic, floating leisure craft. Accompanied by Max Rebo's lively tunes, the motley crew and guests aboard the *Khetanna* indulge in luxurious treats and entertainment to cheer on the imminent demise of Han Solo, Luke Skywalker and Chewbacca. The scene is set for the Tatooine crime lord and his entourage of thugs to flaunt their superiority, only to face their inevitable downfall. Get ready to recreate this iconic part of the *Star Wars* saga in a highly detailed and enjoyable LEGO building experience.

Enjoy building!

Jens Kronvold Frederiksen
Design Director & Creative Lead,
LEGO® Star Wars™

FITTED FOR THE GALACTIC GANGSTER

Manufactured by Ubrikkian Industries, the *Khetanna* is fully equipped to satisfy Jabba the Hutt's extravagant hunger for nine meals a day (some of which consist of live creatures), but also to quench his thirst for dramatic entertainment, both on board and across the Tatooine desert. From high-stakes races to gladiatorial combats, the notorious gangster can travel in style above the Tatooine Dune Sea, with a crew of 26 catering to his every whim. At 30 metres (98.4 ft.) long, it features an enlarged galley and facilities to host up to 500 passengers of questionable reputation.

OPULENCE AND CRUDE MINIMALISM

What Jabba's Sail Barge boasts in pleasurable amenities, it lacks in combat and defensive equipment. Jabba arrogantly believes that by bringing his prisoners to the Sarlacc Pit, their Rebel friends will be at a disadvantage should they brave any rescue attempts. Teaming up with Lando Calrissian in disguise and R2-D2, now serving as a cocktail tray with a few tricks up his droid sleeve, Han, Leia, Luke and Chewie catch Jabba and his henchmen completely off guard. Leia overpowers Jabba, the Rebels and their droid friends escape, and the sail barge meets its fiery end in the desert sand.

SOLID ENTERTAINMENT, INSIDE AND OUT

Now you've got it, you may as well flaunt it, too. Your model is designed to impress, closed or open. True to the original, the sails can be adjusted or removed, several hatches can be opened, and all three cannons can be manned by one of Jabba's guards. If you want to emphasise the scenes inside the model, the two top-deck sections can be easily removed, and the sides fold down to reveal all the interior features, accessories and decorations.

Whether you're a prisoner, conspirator or captor on the LEGO® version of Jabba's Sail Barge, the interior atmosphere is guaranteed to enthrall Rebels and Hutt henchmen alike. You can enjoy the detailed cockpit, an operational prison cage, a well-equipped armoury, a fully stacked galley, Jabba's lavish room and Max Rebo's red ball jett organ at your leisure. Welcome aboard.

Senior Model Designer

RECREATING THE HUMOUR AND DRAMA

"One of the greatest things about recreating Jabba's Sail Barge in LEGO® form is capturing not only the scale and proportions but also the humour and drama in the iconic scene from the battle above the Sarlacc Pit. Jabba's grip on the Tatooine underworld is undisputed, but his misplaced trust in his own abilities and disregard for the Rebels is bound to burst his bubble in a spectacularly satisfying way, complete with live commentary from a slightly panic-stricken C-3PO. We were able to recreate a bunch of details that help tell the story of this eccentric cartel head and his larger-than-life personality like never before. Nine minifigures (including three new ones), Salacious Crumb and Jabba figures bring the model to life – and you can even combine your set with 75396 Desert Skiff & Sarlacc Pit and get the full experience of the iconic scene."

César Carvalhosa Soares,

SET SAIL AND ENJOY THE RIDE

ARM YOURSELF

Several axes, spears and blasters are clipped to the wall in the armoury.

LOOK OUT

Two brick-built blasters can be clipped onto several places on the lookout rails.

A SCENIC VIEW

Give one of the minifigures the best view from the window.

COCKPIT

Slide open the cockpit door to allow up to two minifigures to control the commands and consoles.

A CAPTIVATING MENU

Even prisoners get to eat, although the menu may not be suitable for picky eaters. Both the prison cell and the stairs can be removed for easy access.

THE GALLEY

Remove the stairs for full access to the galley gadgets and supplies.

GET YOUR DRINKS HERE

R2-D2 plays his part as a drinks tray so convincingly that no one suspects his role in the upcoming mutiny on board Jabba's Sail Barge.

THE BARGE MUSICIAN

With Max Rebo and his red ball jett organ on board, running criminal errands is just a little more fun for everyone.

NEW MINIFIGURES
Kithaba, Woof and Vizam
are all new LEGO® minifigures.
