Poinsettia

Euphorbia pulcherrima

As the year draws to an end and autumn turns to winter, few plants can light up our days and living spaces like the radiant poinsettia. Known in its native Mexico as the Nochebuena, it has long been a welcome guest in homes around the world and a popular gift to share with loved ones for the holiday season. In the wild, it can grow to more than 3.5 metres/12 feet tall, and it is one of the best-selling potted plants in the world. With over a hundred variants, from cream to pink, purple and orange, the most characteristic version is still the bright red.

A winter evergreen

This LEGO® version of the poinsettia is built to capture the warmth and joy of the holiday season in an evergreen plant, inspired by the *Grande Italia* variety – and guaranteed wilt-free. Imitating the anatomy of the real-life plant, the red bracts and green leaves are connected to a central stem, and you can bend and pose them to style your plant for a lush and voluminous display. The 'woven' basket-pattern pot completes a classic look for this decorative plant. A few LEGO elements have also found new uses in this set, like the red ninja stars in the small bracts, and the yellow hair elements that make up the cyathia blooms. Enjoy building!
