WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Poinsettia

Euphorbia pulcherrima

✿ As the year draws to an end and fall turns to winter, few plants can light up our days and living spaces like the radiant poinsettia. Known in its native Mexico as the Nochebuena, it has long been a welcome guest in homes around the world and a popular gift to share with loved ones for the holiday season. In the wild, it can grow to more than 3.5 meters/12 feet tall, and it is one of the best-selling potted plants in the world. With over a hundred variants, from cream to pink, purple and orange, the most characteristic version is still the bright red.

Le poinsettia

Euphorbia pulcherrima

✿ Alors que l'année touche à sa fin et que l'automne fait place à l'hiver, peu de plantes peuvent embellir nos journées et nos espaces de vie comme le radieux poinsettia. Connue dans son pays d'origine, le Mexique, sous le nom de Nochebuena, elle est depuis longtemps un invité de choix dans les foyers du monde entier et un cadeau populaire dans la période des Fêtes. À l'état sauvage, elle peut atteindre plus de 3,5 mètres de haut, et c'est l'une des plantes en pot les plus vendues au monde. Il existe plus d'une centaine de variantes, allant du crème au rose, au violet et à l'orangé, mais la version la plus célèbre reste le rouge vif.

Nochebuena

Euphorbia pulcherrima

✿ Cuando el año está por terminar y el otoño cede su lugar al invierno, pocas plantas iluminan nuestros días y espacios vitales como la resplandeciente flor de Nochebuena. De origen mexicano, desde hace tiempo es considerada una visita agradable en casas alrededor del mundo y un presente muy apreciado para compartir con los allegados durante la temporada navideña. En su hábitat natural, puede llegar a sobrepasar los 3,5 m de altura y es uno de los tipos de plantas más comprados en maceta a nivel mundial. Con más de un centenar de tonos diferentes, desde el hueso hasta el rosa, abarcando el morado y el naranja, su color más distintivo sigue siendo el rojo vivo.

A winter evergreen

✿ This LEGO® version of the poinsettia is built to capture the warmth and joy of the holiday season in an evergreen plant, inspired by the *Grande Italia* variety – and guaranteed wilt-free. Imitating the anatomy of the real-life plant, the red bracts and green leaves are connected to a center stem, and you can bend and pose them to style your plant for a lush and voluminous display. The 'woven' basket-pattern pot completes a classic look for this decorative plant. A few LEGO elements have also found new usages in this set, like the red ninja stars in the small bracts, and the yellow hair elements that make up the cyathia blooms. Enjoy building!

Ann Healy, LEGO® Model Designer

Une plante résistante à l'hiver

✿ Cette version LEGO® du poinsettia est conçue pour traduire la chaleur et la joie des Fêtes dans une plante à feuilles persistantes, inspirée de la variété *Grande Italia*, qui ne fanera jamais. Imitant l'anatomie de la vraie plante, les bractées rouges et les feuilles vertes sont reliées à une tige centrale, et elles peuvent être pliées et placées pour personnaliser la plante et créer une décoration luxuriante et volumineuse. Le pot à motif de panier tressé complète l'aspect classique de cette plante décorative. Quelques éléments LEGO ont également trouvé de nouvelles fonctions dans cet ensemble, comme les étoiles de ninja rouges dans les petites bractées et les éléments de cheveux jaunes qui forment les cyathes. Bonne construction !

Ann Healy, conceptrice de modèles LEGO®

Hoja perenne de invierno

✿ Esta versión LEGO® de la flor de Nochebuena está pensada para capturar el calor y el júbilo de las festividades en una planta de verdor perenne inspirada por la variedad *Grande Italia*, y podemos asegurarte que nunca se desvanecerá. Emulando la anatomía de la planta de verdad, las brácteas rojas y las hojas verdes se conectan al tallo central; puedes doblarlas y acomodarlas para darle estilo a tu planta y lograr una apariencia frondosa y con mucho cuerpo. La maceta "trenzada" con patrón de canasto complementa el aspecto tradicional de esta planta ornamental. También hemos encontrado nuevas maneras de usar algunos elementos LEGO en este set, como las estrellas ninja rojas que representan las brácteas pequeñas y los elementos de cabello amarillos que conforman las ciatias. ¡Que disfrutes construyendo!

Ann Healy, modelista de LEGO®
