WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

LEGO® Builder

Warm feelings for cold days

When the first signs of fall and winter set in, it seems nature invites us to play with all its beautiful, seasonal colors and bounties. Bright berries complement evergreen branches, and leaves seem to radiate and spread rays of warm hues as they fall at your feet. Bringing these gorgeous bundles of color into your home can create cozy sparkles of joy as we wait for lighter days to return. Add to that the delightful sense of accomplishment in the creative process as you bring all the shapes and colors that inspire you together, and you have a perfect excuse to snuggle up and indulge your senses. With this elegantly crafted LEGO® wreath or garland, you can extend that feeling of joy and change your décor all through your winter season.

Des idées chaleureuses pour les jours froids

Lorsque les premiers signes de l'automne et de l'hiver apparaissent, il semble que la nature nous invite à jouer avec toutes ses belles couleurs et ses richesses saisonnières. Les baies éclatantes complètent les branches des arbres à feuilles persistantes, et les feuilles semblent rayonner et répandre des rayons de teintes chaudes lorsqu'elles tombent à nos pieds. L'introduction de ces magnifiques grappes de couleurs dans votre maison peut créer des étincelles de joie douillettes en l'attente d'un retour à des jours plus légers. Ajoutez à cela le merveilleux sentiment d'accomplissement que procure l'assemblage des formes et des couleurs qui vous inspirent, et voilà l'excuse parfaite pour vous emmitoufler et satisfaire vos sens. Avec cette élégante couronne ou guirlande LEGO®, vous pouvez prolonger ce sentiment de joie et modifier votre décor tout au long de la saison hivernale.

Cálidos sentimientos para los días fríos

Cuando el otoño y el invierno dan sus primeras señales, la naturaleza pareciera invitarnos a jugar con los hermosos colores y las bondades de la temporada. Bayas en tonos vivos adornan las ramas de follaje perenne, con hojas que aparentan derramar luminosos reflejos en cálidas tonalidades al caer a tus pies. Llevar esos espléndidos ramilletes cromáticos a tu casa puede llenarla de acogedores destellos de alegría mientras esperamos el regreso de días más luminosos. Si añades a eso la gratificante sensación de logro que conlleva el creativo proceso de conjuntar las formas y colores que más te inspiran, tendrás la excusa perfecta para acurrucarte y complacer a tus sentidos. Con esta elegante corona o centro de mesa LEGO®, podrás dar una pincelada de novedad a tu decoración y prolongar la alegre experiencia durante toda la temporada invernal.

Holiday aromas

Each season has its charms. Even dark winter days give us moments of light to share with loved ones. Nothing evokes fond memories like the sweet, aromatic fragrances of the holiday season – invigorating fir tree foliage, zesty orange slices, warm cinnamon, or earthy pine sap. When you sit down to build this set, you can find inspiration from all these familiar scents and spices. Build a decorative wreath to hang on the wall, or a festive garland centerpiece for your table. Add your own creative touch and customize it to suit your celebration, mood, or interior décor. From the shape of the arrangement to the tiny details, simply swap out the berries or reconfigure the decorative elements and experiment with the elements to create new expressions. We hope this leaves you feeling toasty and comfortable on cool days, and that you will create new memories to look back on for years to come.

KENYON ANDREW BRADY

LEGO® Model Designer

Arômes festifs

Chaque saison a ses charmes. Même les sombres journées d'hiver nous offrent des moments de lumière à partager avec nos proches. Rien n'évoque autant de bons souvenirs que les doux parfums aromatiques des Fêtes : le feuillage vivifiant du sapin, les tranches d'orange acidulées, la cannelle chaude ou la sève de pin terreuse. Lorsque vous construirez cet ensemble, vous pourrez vous inspirer de toutes ces senteurs et épices familières. Créez une couronne décorative à accrocher au mur ou une guirlande festive à placer au centre de votre table. Ajoutez votre propre touche créative et personnalisez votre modèle en fonction de votre célébration, de votre humeur ou de votre décor intérieur. De la forme de la composition aux moindres détails, il suffit de remplacer les baies ou de reconfigurer les éléments décoratifs et d'expérimenter avec les éléments pour créer de nouvelles expressions. Nous espérons que vous vous sentirez bien au chaud et à l'aise pendant les journées froides, et que vous créerez de nouveaux souvenirs dont vous vous souviendrez pendant des années.

El aroma de la temporada de celebraciones

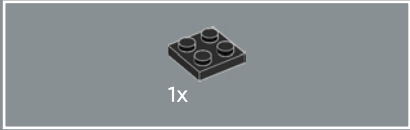

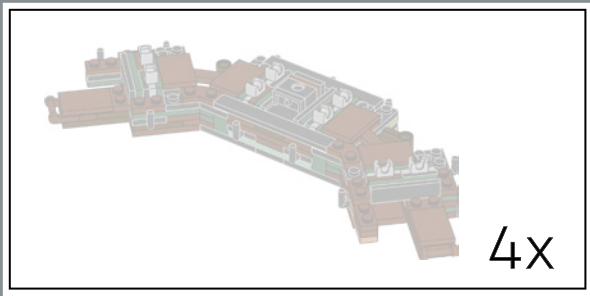

Cada estación tiene su encanto. Incluso los oscuros días del invierno nos regalan momentos de luz para compartir con nuestros seres queridos. Y nada evoca tan buenos recuerdos como las dulces y aromáticas fragancias de las fiestas: el vigorizante follaje de los abetos, las revitalizantes rebanadas de naranja, la cálida canela o la terrosa savia de pino. Cuando te sientes a construir este set, podrás inspirarte en todos esos aromas y especias que tan bien conoces. Crea una corona decorativa para colgar en la pared o un centro de mesa para decorar tu comedor. Añádele tu propio toque creativo al modelo y personalízalo para adaptarlo a tu celebración, estado de ánimo o decoración interior. Desde la forma del arreglo hasta los pequeños detalles, basta con que cambies de lugar las bayas o reconfigures los elementos decorativos y experimentes con ellos para crear nuevas expresiones. Esperamos que esta experiencia te brinde calidez y comodidad en los días fríos, así como la oportunidad de crear nuevos recuerdos para los años venideros.

When connected in sequence, the LEGO® flower stem elements make for perfectly pointy pine needles.

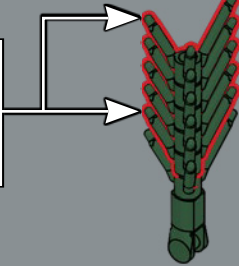

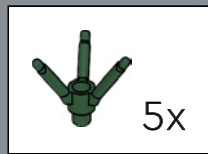

Lorsqu'ils sont connectés en séquence, les éléments de tige de fleur LEGO® donnent des aiguilles de pin parfaitement pointues.

Conectados en secuencia, los elementos LEGO® que representan tallos de flores resultan ideales para recrear agujas de pino.

The underside of Fraser fir needles has a blueish tint, represented here by sand-green palm leaf elements – a new color for this classic LEGO® element that first appeared in 1989.

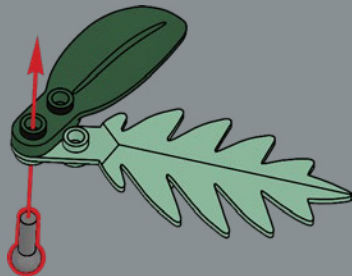

Le dessous des aiguilles de sapin de Fraser a une teinte bleutée, représentée ici par des éléments de feuilles de palmier vert sable, une nouvelle couleur pour cet élément LEGO® classique qui est apparu pour la première fois en 1989.

El tono azulado de la parte inferior de las agujas del abeto de Fraser se reproduce aquí mediante elementos que representan hojas de palmera en verde arena, un nuevo color para este elemento LEGO® clásico que apareció por primera vez en 1989.

Some species of Magnolia are evergreen, making their leaves perfect for year-round arrangements.

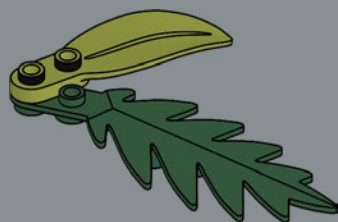

Certaines espèces de magnolia sont à feuilles persistantes, ce qui rend leur feuillage parfait pour des compositions tout au long de l'année.

Algunas especies de magnolia son perennes, por lo que sus hojas son perfectas para hacer arreglos en todas las épocas del año.

A cinnamon stick comes from the dried inner bark of a cinnamon tree. In ancient times, the spice was considered more valuable than gold.

Un bâton de cannelle provient de l'écorce intérieure séchée d'un cannelier. Dans l'Antiquité, cette épice était considérée comme plus précieuse que l'or.

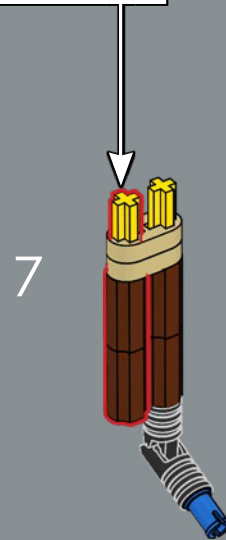

La canela en rama proviene de la corteza interior seca del canelo. En la antigüedad, esta especia se consideraba incluso más valiosa que el oro.

Vibrant red winterberries provide an important food source for birds through the winter season.

Les baies d'hiver, d'un rouge éclatant, constituent une source de nourriture importante pour les oiseaux pendant la saison hivernale.

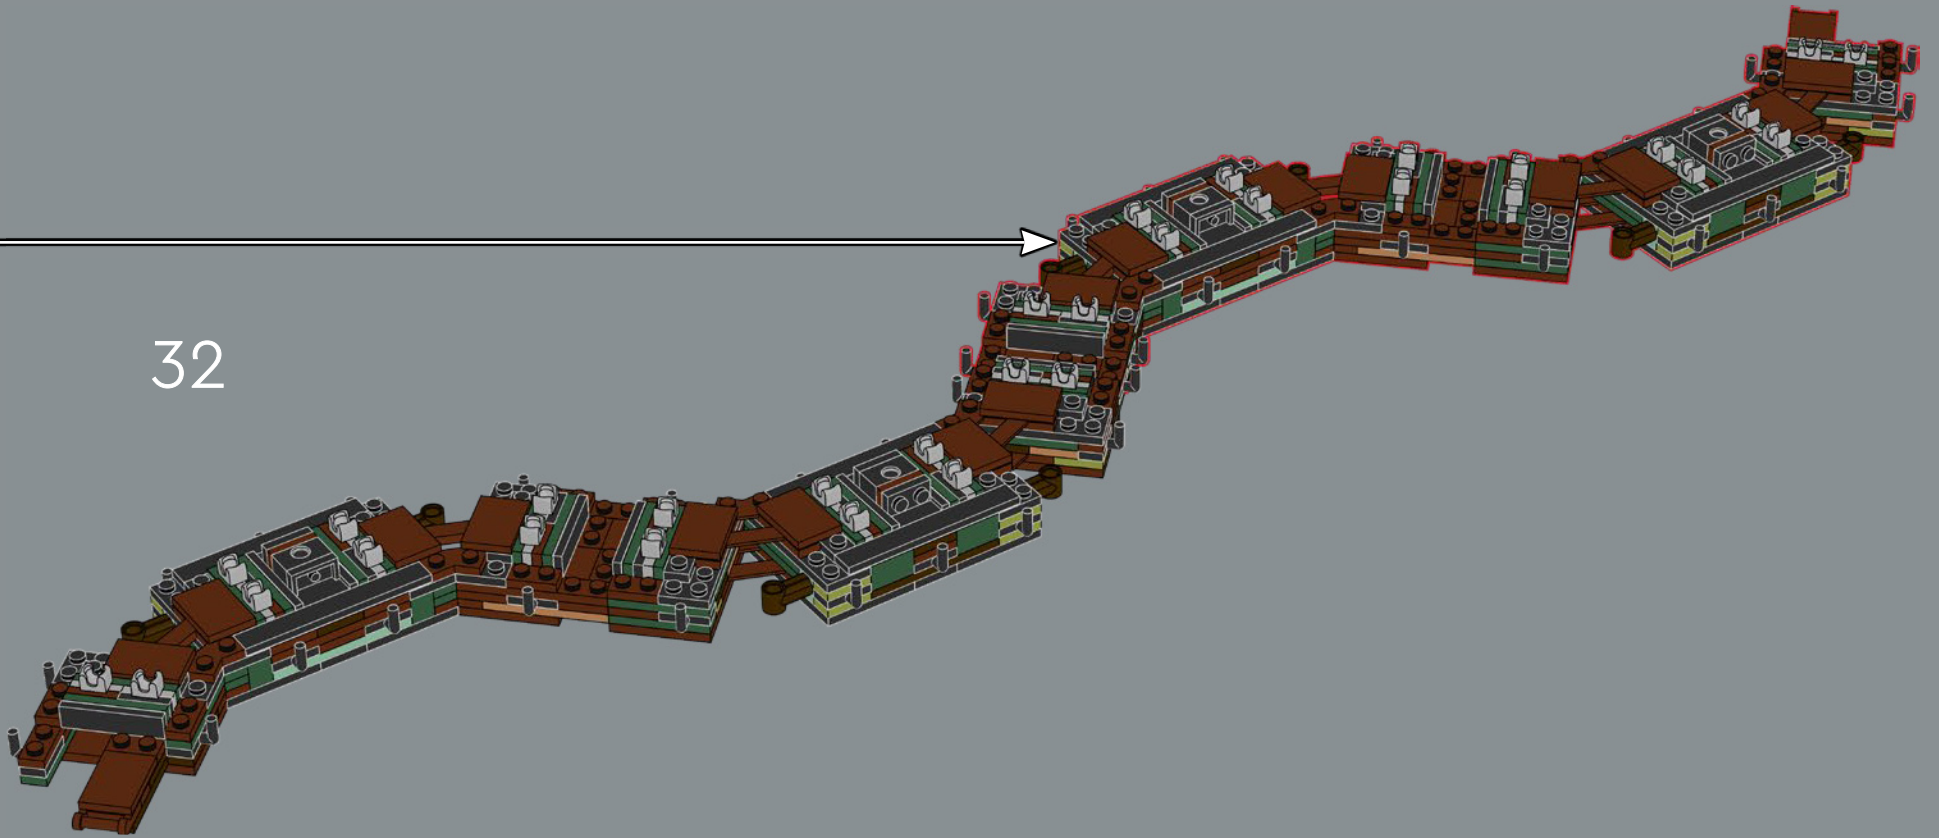

De color rojo brillante, las bayas de abeto son una importante fuente de alimento para las aves durante los meses más fríos.
