MEET THE FAN DESIGNER

As if in a fairytale of her own, fan designer Anna Chen (LEGO® Ideas name 2A2A) won the hearts and votes of thousands of LEGO and Disney™ fans in the 2023 LEGO Ideas *100 Years of Fairytales!* challenge. The service engineer from Hong Kong cast a passionate and creative spell on her favourite Disney characters and movie moments in her challenge entry, and in addition to providing services to hospitals and healthcare professionals, she can now add LEGO Fan Designer to her resumé.

*Anna and her original
challenge submission*

"I have loved playing with LEGO bricks since early childhood, and I love the Disney animated movies, so I was thrilled to seize the opportunity to enter in the challenge and let my Disney and LEGO fuelled imagination run wild! It took maybe two or three weeks to design the model. I knew I wanted to include a big brick-built Mickey Mouse, and around Mickey I added mini-models representing some of my favourite Disney movies. Of course, I used the contest as an excuse to rewatch some of the movies I remember so fondly from my childhood! This also helped me select some of the most iconic symbols, accessories and characters to include in the model. When the voting began, I was so happy that the model resonated with other LEGO and Disney fans, and I am really thankful for all the fans who voted for this design. I hope they will be just as excited about the official, final design as I am. I am also thankful to the LEGO Ideas team for creating this special challenge – it allowed so many fans to express our love for classic Disney films and their beloved themes and characters."

AN IRRESISTIBLE MAGIC FORMULA

Through generations, our favourite Disney films have made us laugh, cry, dance and hum along to their captivating soundtracks - or bellow them from the top of our lungs. For some, they evoke fun memories of cosy movie nights, snuggled up with our family and friends, watching, rewinding and re-watching our cherished VHS cassettes until they literally frayed! From the big screen to streaming, from *Fantasia* to *Encanto* and beyond, an enchanted red thread has carried Disney's magic storytelling formula through ever-expanding realms. The engaging stories about endearing, relatable characters rooted in rich, diverse cultures from around the world - even the mythical Atlantica - inspire us to embrace the magical connections we share and follow our hearts, dreams and imaginations.

100 YEARS OF FAIRYTALES!

In celebration of Disney's 100th anniversary in 2023, we had the unique opportunity to invite fans from all over the world to join our virtual LEGO® | Disney designers' ball. We launched the exclusive LEGO Ideas *100 Years of Fairytales!* challenge on the LEGO Ideas website, hoping it would inspire fans to show their love of classic and new Disney animated films with LEGO bricks. With hundreds of enchanting, moving and funny interpretations of memorable film scenes, heroes and villains, the LEGO Ideas fan community and a panel of judges cast their votes. Now, for the first time since we released the first LEGO | Disney set in 1999, we can share a set created not only for fans but also by a fan, and usher in the next century of creative magic.

FROM THE LEGO® IDEAS DESIGN TEAM

"Anna did such a wonderful job of showcasing the history of Disney animation in an exciting model! Mickey Mouse, as the Sorcerer's Apprentice from *Fantasia*, commands the waves, surrounded by a series of tributes to iconic Disney movies. In collaboration with Disney Studios, we modified some of Anna's scenes to represent different decades and eras. From Belle's enchanted rose to Bruno's emerald tablet, the set weaves together a series of memorable, magical Disney moments, beloved characters and iconic elements. Mickey's iconic brooms from *Fantasia* even seem to come alive on top of the flooded stairs! On the inside of Mickey's body and head, we hid an Easter egg for the fan designer, using the colours of characters from her favourite movie. (Can you guess which movie it is?)"

BRINGING A LEGO® MODEL TO LIFE

Much like the brooms in *Fantasia*, ideas just seem to multiply when you start building with LEGO® bricks! Collaborating with the fan designer and Disney Studios, the LEGO Ideas design team waved their brick wands to bring the model to life.

PINOCCHIO (1940)

Geppetto is fighting the waves on his posable raft, inside the whale Monstro.

LILO & STITCH (2002)

A posable Lilo is having fun surfing the waves.

THE LION KING (1994)

Simba is admiring his kingdom from the top of Pride Rock, surrounded by savannah flora.

FANTASIA (1940)

Mickey Mouse, as the Sorcerer's Apprentice, takes centre stage, representing one of the most iconic animated films of all time, *Fantasia*. With just a few flicks of his hands, the magic brooms may wake up, rush down the stairs and pour more water from their buckets!

THE LITTLE MERMAID (1989)

Sebastian and Flounder playfully pop out of the waves.

ENCANTO (2021)

Bruno is standing outside the Casita, the Madrigal family's magic house, troubled by his visions.

BEAUTY AND THE BEAST (1991)

Belle is in the luxurious ballroom in Beast's castle, gazing at the enchanted rose.
