WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

IDEAS¹

MEET FREDRICK LOUIE

LEGO® Ideas Grand Prize Winner

Fredrick Louie (aka Falkorich) from the US won the LEGO® Ideas 2024 Exploring the Cosmos contest with his creative interpretation of a planetary base:

"As a life-long fan of space exploration, I've loved the LEGO Space sets since I was a kid. Like many fans, my personal favorite was the 6990 Monorail Transport System (1987). LEGO building gives me a means to express my creativity. I can turn my ideas into digital forms and physical models, experiment with techniques and explore subjects I love. I'm really inspired by other fans and enjoy voting for creations on the LEGO Ideas website. When this contest launched, I knew I wanted to make a micro-scale model inspired by the Monorail. To see something I helped design become an actual LEGO set is a dream come true. I'm very excited to share the model with my family, friends and fellow Monorail fans. If you have a great idea for a set, never be afraid to share it with others!"

LEGO® Ideas fan designer Fredrick Louie

RENCONTREZ FREDRICK LOUIE

Gagnant du premier prix LEGO® Ideas

Fredrick Louie (alias Falkorich), des États-Unis, a remporté le concours LEGO® Ideas 2024 Exploring the Cosmos avec son interprétation créative d'une base planétaire :

« En tant que passionné de longue date de l'exploration spatiale, j'adore les ensembles LEGO Space depuis mon enfance. Comme beaucoup d'autres amateurs, mon préféré était le Monorail Transport System (6990) de 1987. La construction LEGO me permet d'exprimer ma créativité. Je peux transformer mes idées en formes numériques et en modèles physiques, expérimenter des techniques et explorer des sujets que j'aime. Les autres amateurs m'inspirent beaucoup, et j'aime voter pour des créations sur le site de LEGO Ideas. Lorsque ce concours a été lancé, je savais que je voulais créer un modèle à micro-échelle inspiré du monorail. Voir un objet que j'ai contribué à concevoir devenir un véritable ensemble LEGO est un rêve devenu réalité. Je suis très heureux de partager ce modèle avec ma famille, mes amis et les autres amateurs du monorail. Si vous avez une bonne idée pour un ensemble, n'ayez jamais peur de la partager ! »

Fredrick Louie, concepteur amateur LEGO® Ideas

CONOCE A FREDRICK LOUIE

Ganador del Gran Premio de LEGO® Ideas

Fredrick Louie (alias Falkorich), de Estados Unidos, resultó ganador en el desafío "Exploring the Cosmos" de LEGO® Ideas en 2024 con su creativa interpretación de una base planetaria:

"Toda la vida he sido fan de la exploración espacial, y me encantan los sets LEGO Space desde que era un niño. Mi favorito, igual que para muchos otros fans, era el Monorail Transport System (6990) de 1987. Para mí, construir con LEGO es un medio para expresar mi creatividad. Puedo convertir mis ideas en formas digitales y modelos físicos, experimentar con técnicas y explorar temas que me apasionan. Me inspiro mucho en otros fans y disfruto votando por creaciones en el sitio web de LEGO Ideas. Cuando se lanzó este desafío, supe que quería hacer un modelo a microescala inspirado en el set del monorriel. Ver que algo que yo ayudé a diseñar se convierte en un set LEGO de verdad es un sueño hecho realidad. Me llena de ilusión compartir el modelo con mi familia, mis amigos y los fans del monorriel. Si tienes una gran idea para un set, ¡no tengas miedo de compartirla con los demás!".

Fredrick Louie, fan diseñador de LEGO® Ideas
