A long-expected party

J.R.R. Tolkien's beloved *The Lord of the Rings*™ universe unfolds in the enchanting world of Middle-earth™ – a mythical land rich in history, tales of heroic characters and the power of friendship. The first film, *The Fellowship of the Ring*™ (2001), begins in The Shire™, home of the Hobbits™. This serene setting is bustling with excitement as Bilbo Baggins™ prepares for his eleventy-first birthday. Bilbo's joyful celebration is a party of special magnificence, filled with feasts, magical fireworks and the arrival of Gandalf the Grey™.

Soon The Shire's harmony and quaint beauty contrasts with a looming darkness. When Bilbo mysteriously vanishes from the party, he leaves behind an ancient artefact with ominous powers: The One Ring™. His actions set in motion an eventful journey that will shape the fate of Middle-earth. This LEGO® *The Lord of the Rings: The Shire*™ set is a highly detailed diorama of Bilbo's cosy house under the Hill. Step inside and enjoy the warmth, hospitality and a nice cup of tea before the road goes ever on!

From the LEGO® Icons Design Team

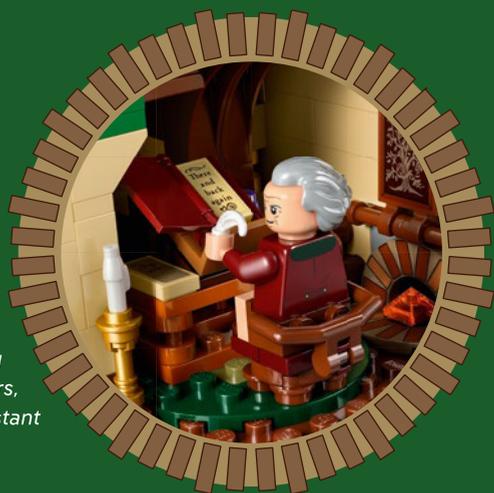

Welcome to the lush and cheerful setting of Hobbiton™. To help us stay true to the film scenes, our partners at Warner Bros. Discovery provided extensive reference materials, including a detailed floor plan of Bag-end™. You will discover and build lots of story moments from *The Fellowship of the Ring*™ – some only featured in the extended version of the film. Our textile and graphics teams helped recreate the party scene with two brand-new printed textile elements for the birthday banner and party pavilion. We hope you will feel right at home among The Shire's beautiful rolling hills, find comfort in Bag-end and enjoy the festivities!

Frodo Baggins™ relaxes with his book in a quiet wooded area of The Shire™.

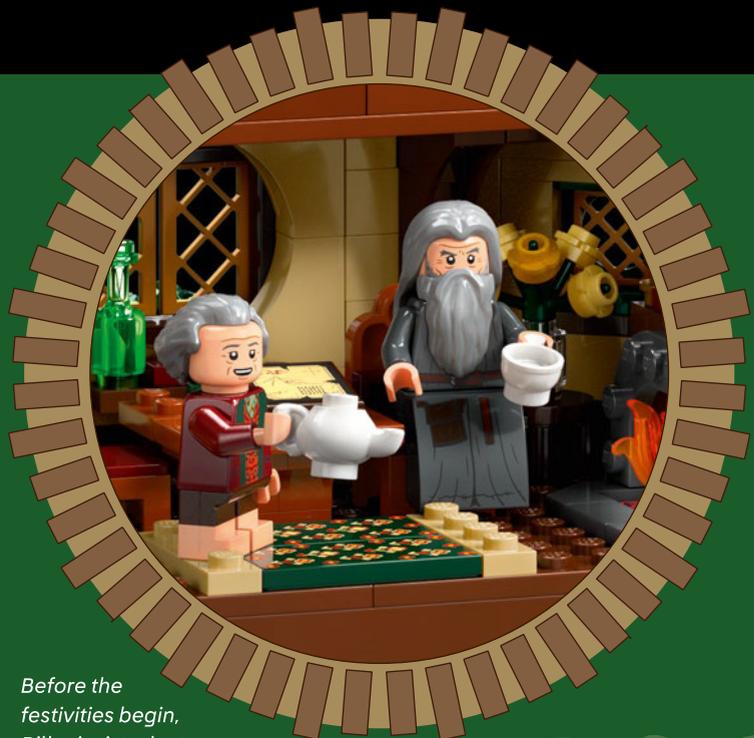

Frodo greets Gandalf the Grey™, beloved wizard and disturber of the peace, as he arrives in a cart full of fireworks.

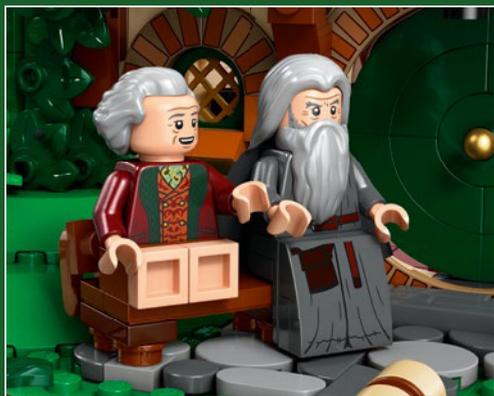

Bilbo Baggins™ sits at his desk, dreading unannounced visitors, well-wishers and distant relations.

In a joyful reunion of two dear friends, Gandalf notices that Bilbo hasn't aged a day!

Before the festivities begin, Bilbo insists the two should have a bit of tea and cake.

Gandalf and Bilbo enjoy a quiet moment together on this night to remember.

The magical fireworks are simply too tempting for curious Hobbits™ Merry and Pippin!

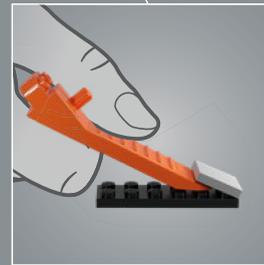

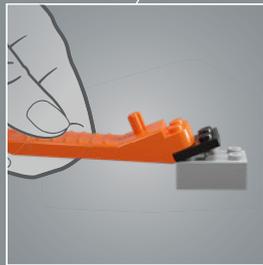

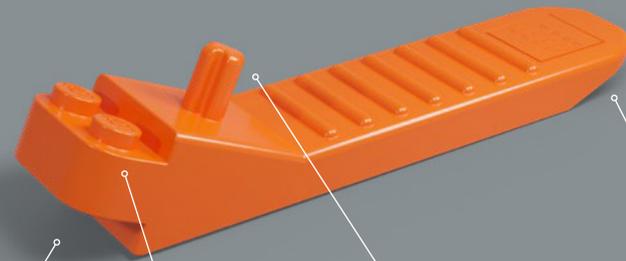

Bilbo takes the stage, but his merry speech takes a mysterious turn and, in an instant, he is gone.

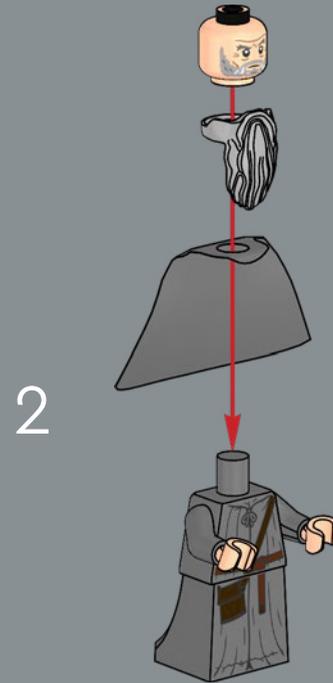

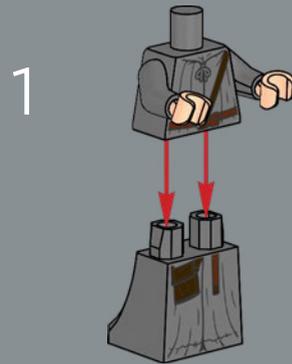

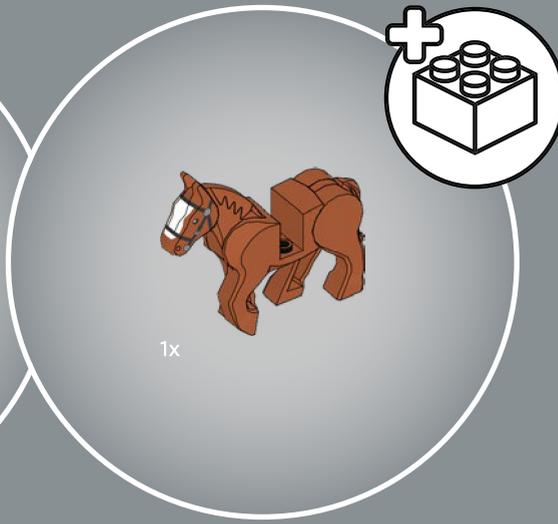

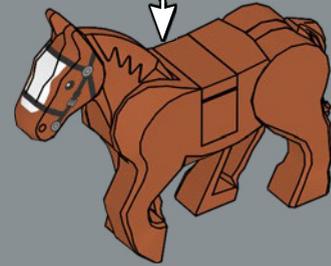

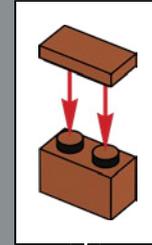

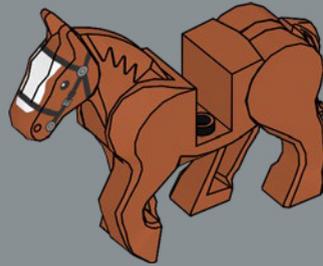

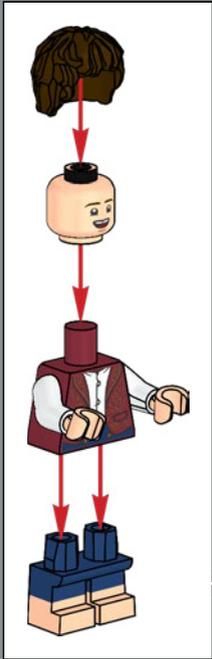

Gandalf casts the envelope with The One Ring™ into the fire and reveals its secrets to Frodo.

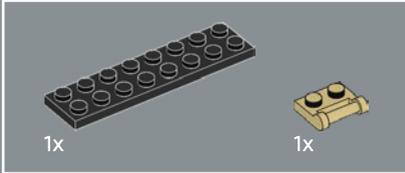

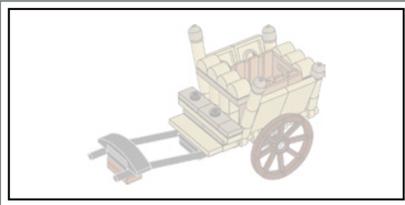

Samwise™ overhears the secret conversation between Gandalf and Frodo. The adventure begins.
