"To tell you the truth, Bilbo's been a bit odd lately... I mean, more than usual. He's taken to locking himself in his study. He spends hours and hours poring over old maps when he thinks I'm not looking. He's up to something."  
- Frodo Baggins™

"For sixty years, the Ring lay quiet in Bilbo's keeping – prolonging his life, delaying old age... but no longer, Frodo. Evil is stirring in Mordor. The Ring has awoken. It has heard its master's call!" – Gandalf the Grey™

While the furniture of Bag-end™ matches the smaller stature of the Hobbits™, a decorative pine cone looks quite large in comparison.

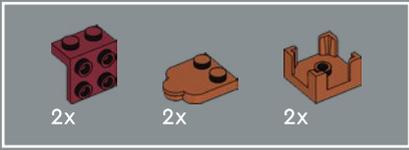

129

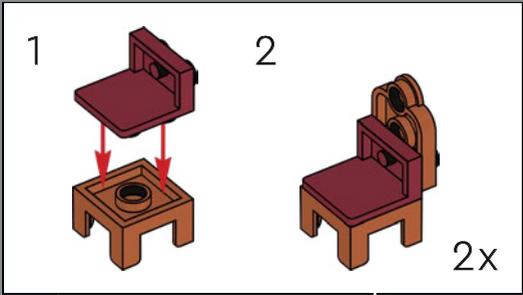

130

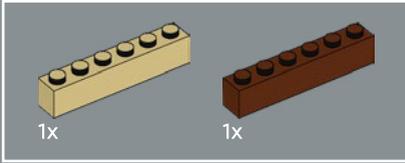

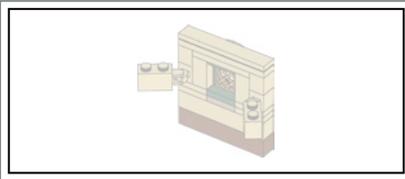

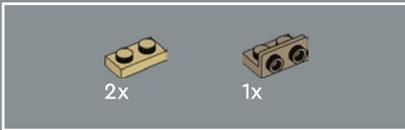

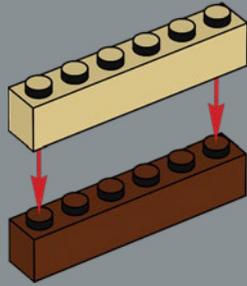

131

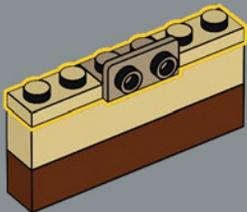

The film set of the Bag-end™ interior was built at two different scales - A small one for Gandalf the Grey™ to walk through, and a large one for Bilbo Baggins™.
